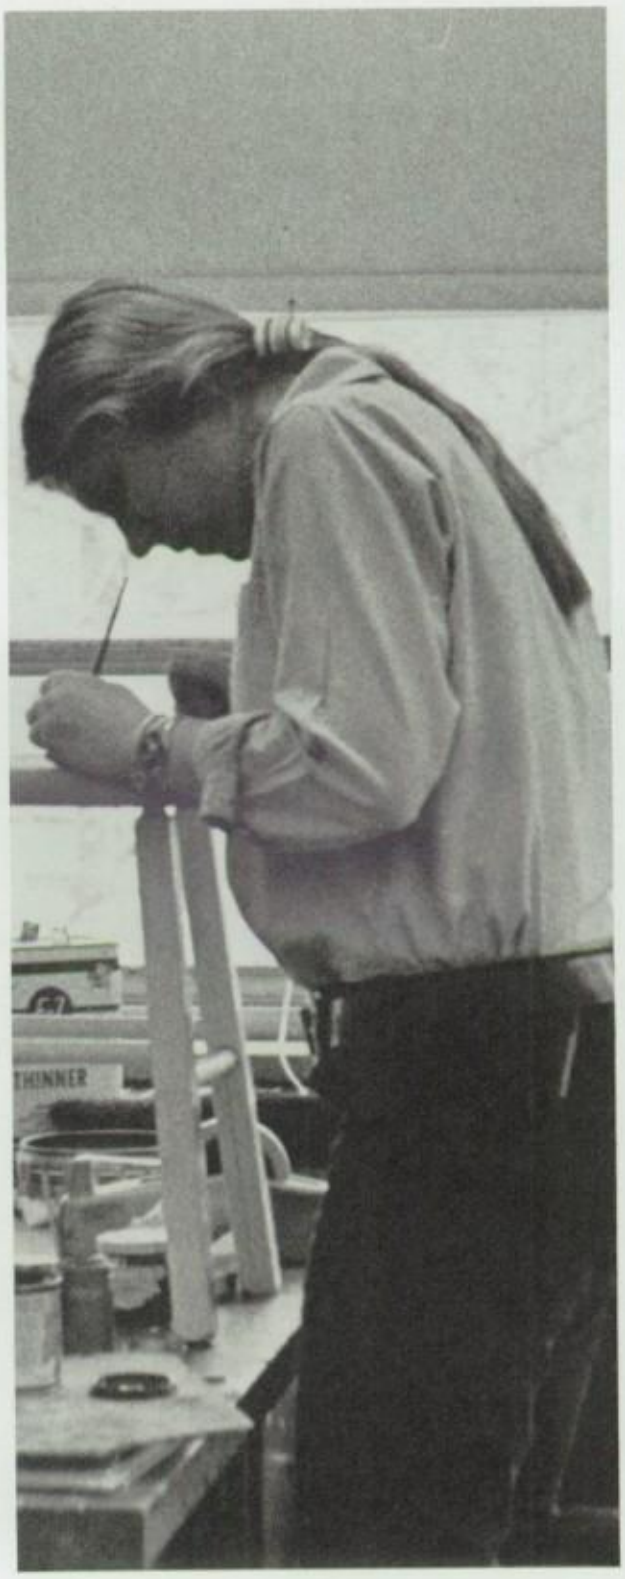
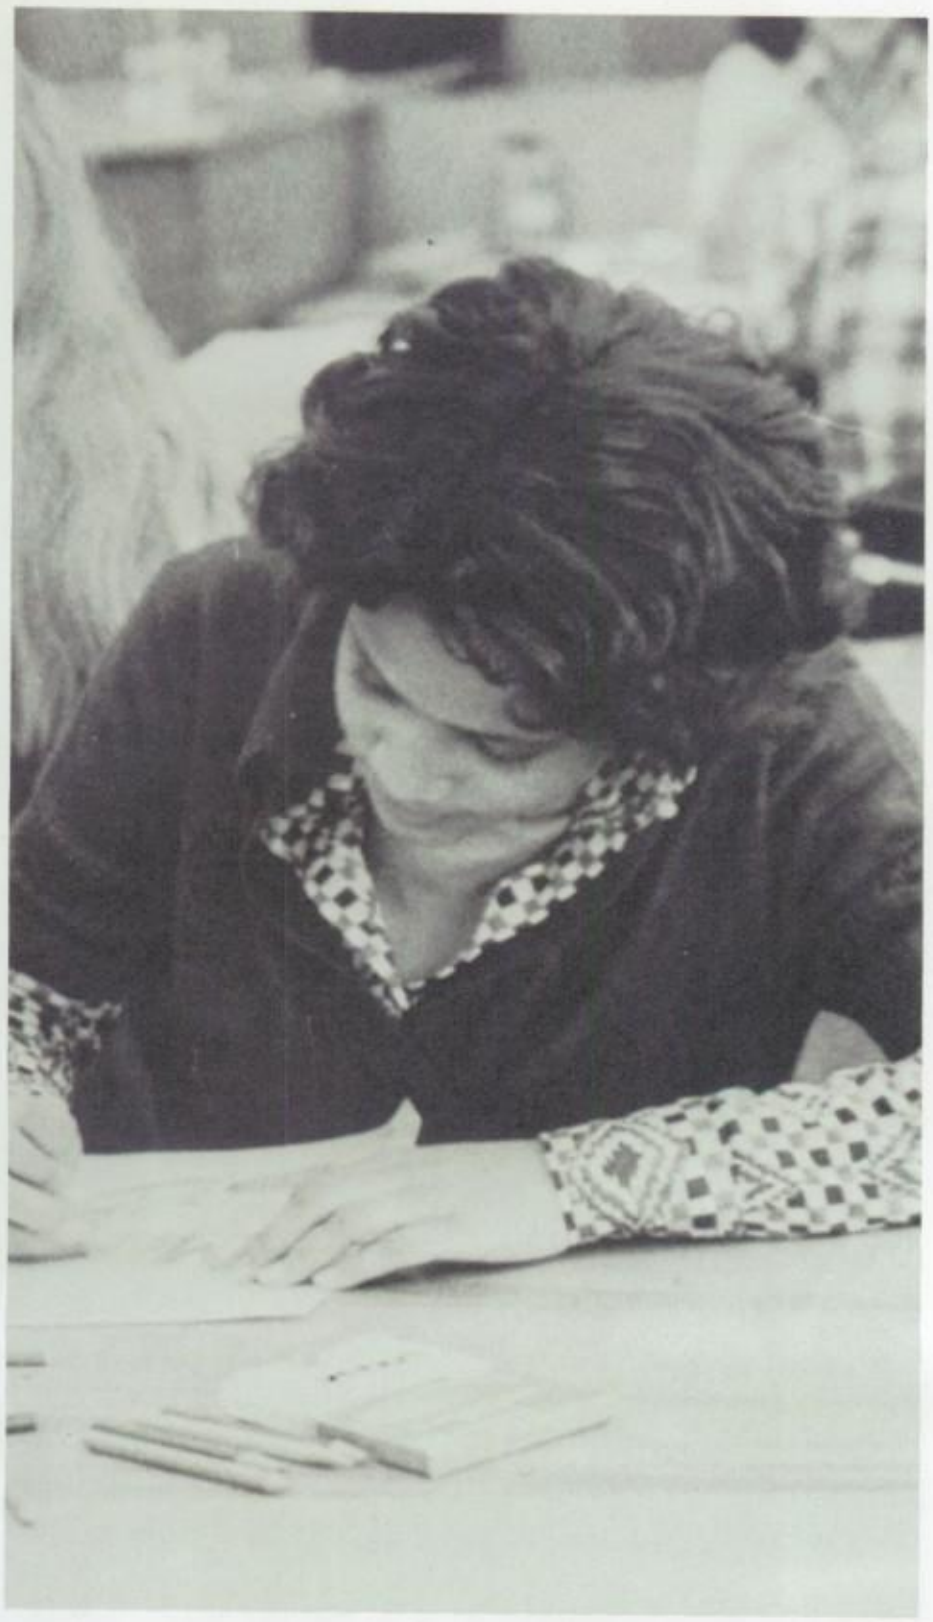
ART

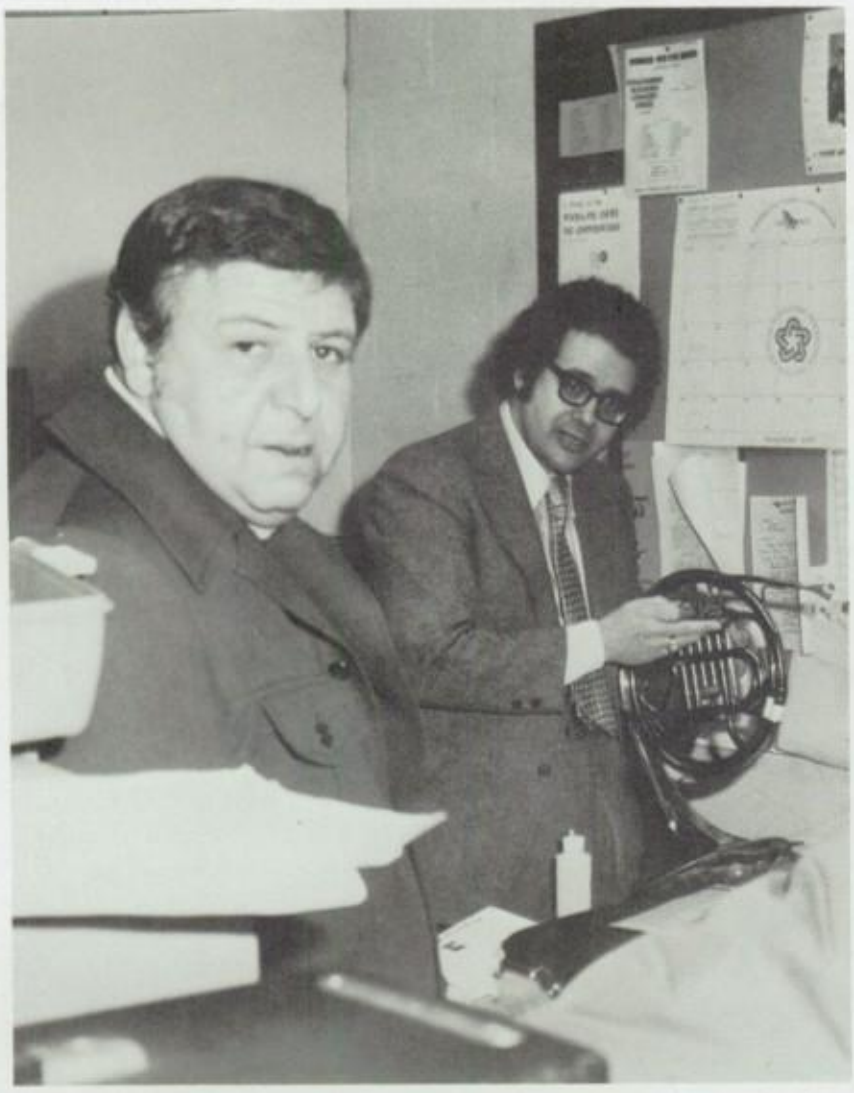
Mary Chantler





The Art Department offers students a chance to express themselves creatively through a variety of art forms. Among these forms are lettering, jewelry, clay, and painting. Students are also free to go further into a type of art which interests them.

BAND



The Quaker Valley Varsity Band was led through a successful year by Mr. Iacobucci, band president Tim Benson, and drum major Jim Moore. After a bad start with the music being stolen, Sewickleyitis, and bad weather, the band quickly recovered to enjoy a great season. Along with halftime programs, the Band performed at three band festivals. Their annual Christmas program was held with the Chorus on December 23. They sponsored an invitational concert, and held their annual Bandwagon program in the spring.

CHORUS

Mr. Leon Szura

What does this year bring us with Bogut Drake and Szura and the Quaker Valley Chorus? This year the Chorus was invited to join the band in a Bicentennial salute for three band festivals and one halftime performance. December was their busiest month, with many caroling programs and their traditional all day trip to the Allegheny County Courthouse and Greater Pittsburgh Airport on December 8. The new Farkleberry song was Farkleberry Snickerdoodle, marking the fourth year in which the chorus has participated in the KDKA Farkleberry program for Children's Hospital. They were joined at the courthouse by the Lettermen and Jack Bogut for the county's tree lighting ceremony. The annual Christmas program was held on December 23 with the band. They staged their annual spring production in May.

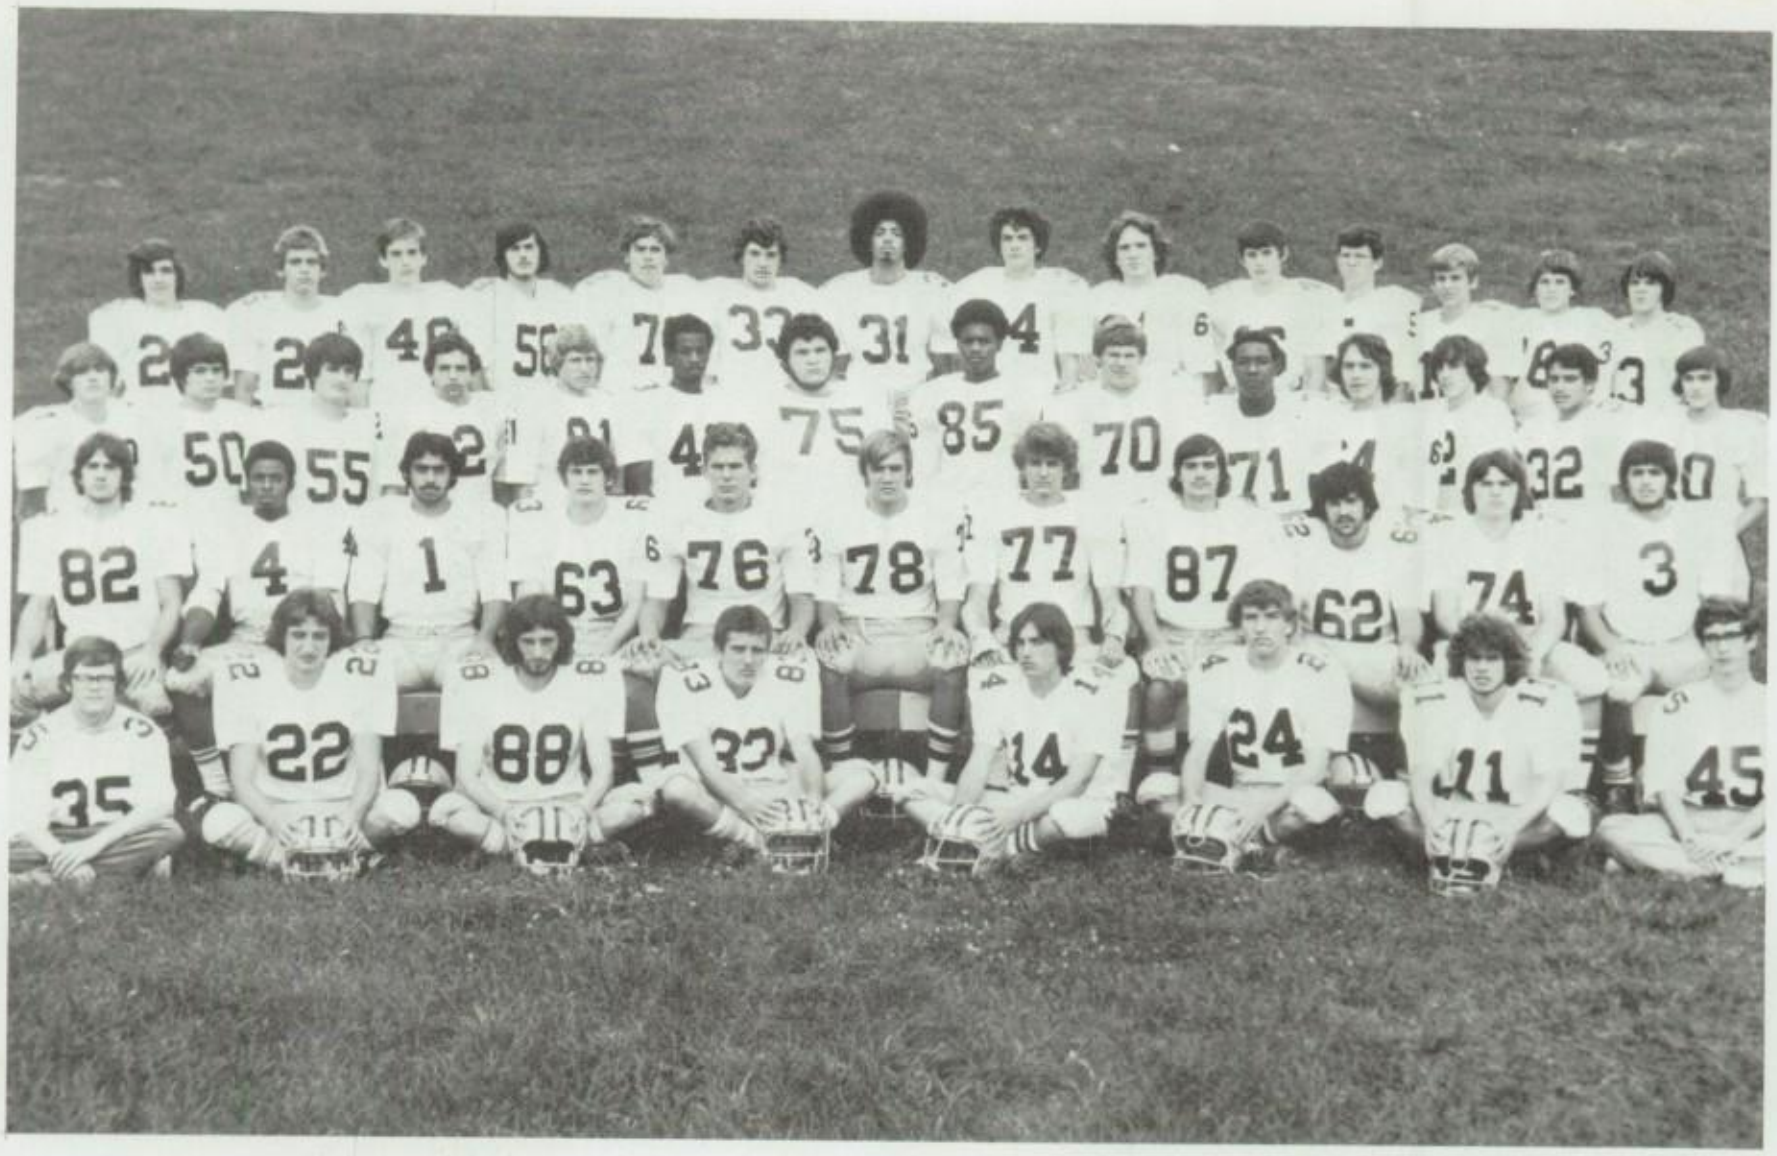
SPORTS

FOOTBALL



After going 1-2-3 in their first six games, the 1975 football team won their last three games to give the Quakers their first winning season since 1969. The season was topped by a 15-0 win over the then undefeated Fort Cherry. Throughout the season it was the "Earth Quake" defense that kept Coach Kenneth Johns' squad in the game. This defense registered three shutouts on the season. Quarterback Frank Rondinelli and end Jim Bailey were named to the Black Hills all conference team. Rondinelli received another high honor as he was voted back up Quarterback on the class BWPIAL all stars. Many of the juniors and sophomores saw varsity action which will give them added experience for 1976. Coach Johns was assisted by Mr. Richard Woznicki, Mr. Frank Vescio, Mr. Roy Horne, Mr. William Och, Mr. Edward Perry, Mr. James Rooney, Mr. James Haddox, and his managers.

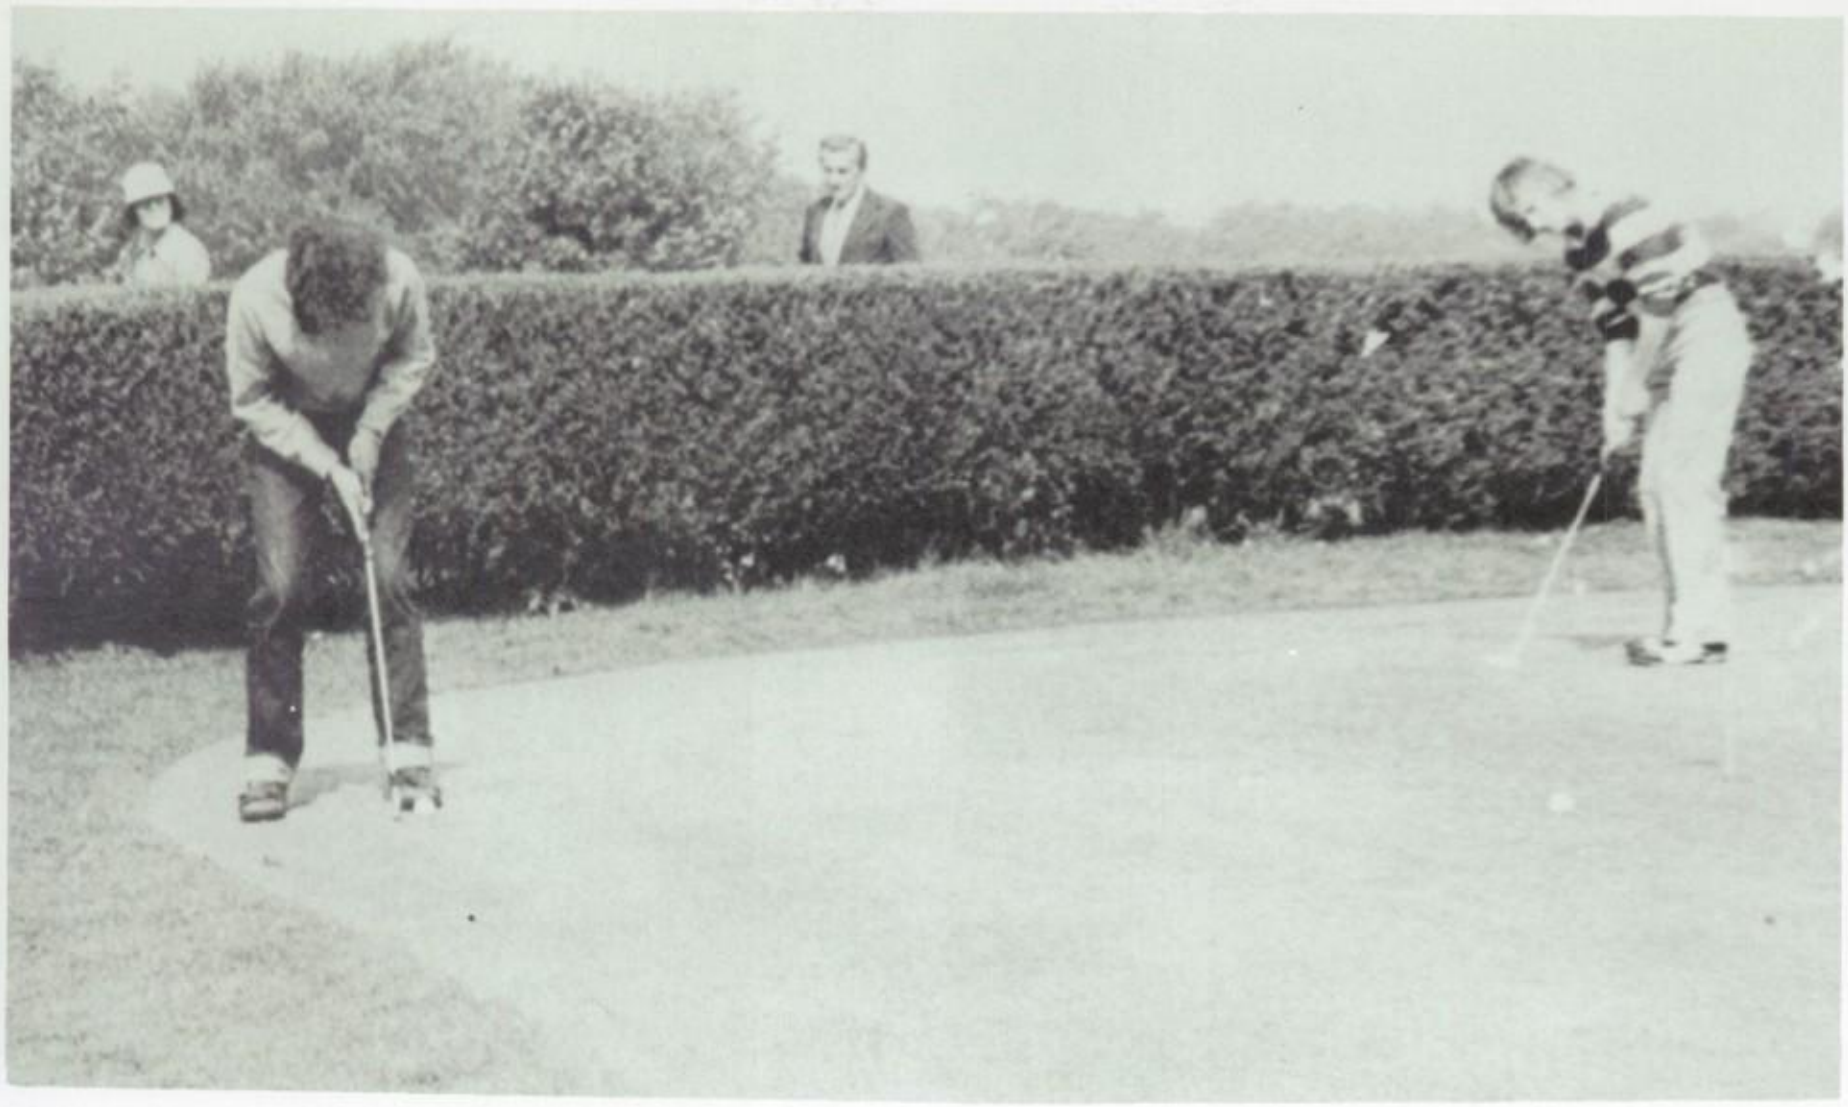
GOLF

The golf team this year had another 0-10 record. Although no match was won by the Quakers, the team scored points throughout the season. An outstanding senior member of the team, Becky Sweet, placed third in the State Finals.

TEAM MEMBERS: (Bottom Row) J. Himes, K. Collins, L. Merriman, D. Vohar. (Bottom Row) C. Yanckello, B. Sweet, F. Reiser. (Third Row) B. Bergman, M. Belcastro, G. Erwin. (Top Row) J. Mason, J. Montanile, D. Pelicano.



CROSS COUNTRY

This year QV's Cross Country team won four out of their ten meets. The team placed fourth in the WPIAL Qualifier on October 17, which enabled them to attend the WPIAL Championship on October 23. The team placed fifteenth in the Championship. Tom Rhodes placed eighth, which allowed him to compete in the PIAA Championship on November 3. In this race Tom placed twenty-first as an individual entrant. Team members: J. Stacy, J. Abercrombie, G. Rhodes, J. Zelkovitz, F. Wasco, P. Thompson, K. Strachan, T. Rhodes, J. Herbst, E. Ridgeway.

VOLLEYBALL

Mrs. Claudette Temple and the first official WPGAL volleyball team at Quaker Valley had a reasonably good season. The team's record ended at 3-8 but the varsity girls definitely had poise, personality, and pizzazz. The JV team under the direction of Mrs. Audrey Sweesy had a 5-6 season. These girls provided an excellent outlook for next year's team.

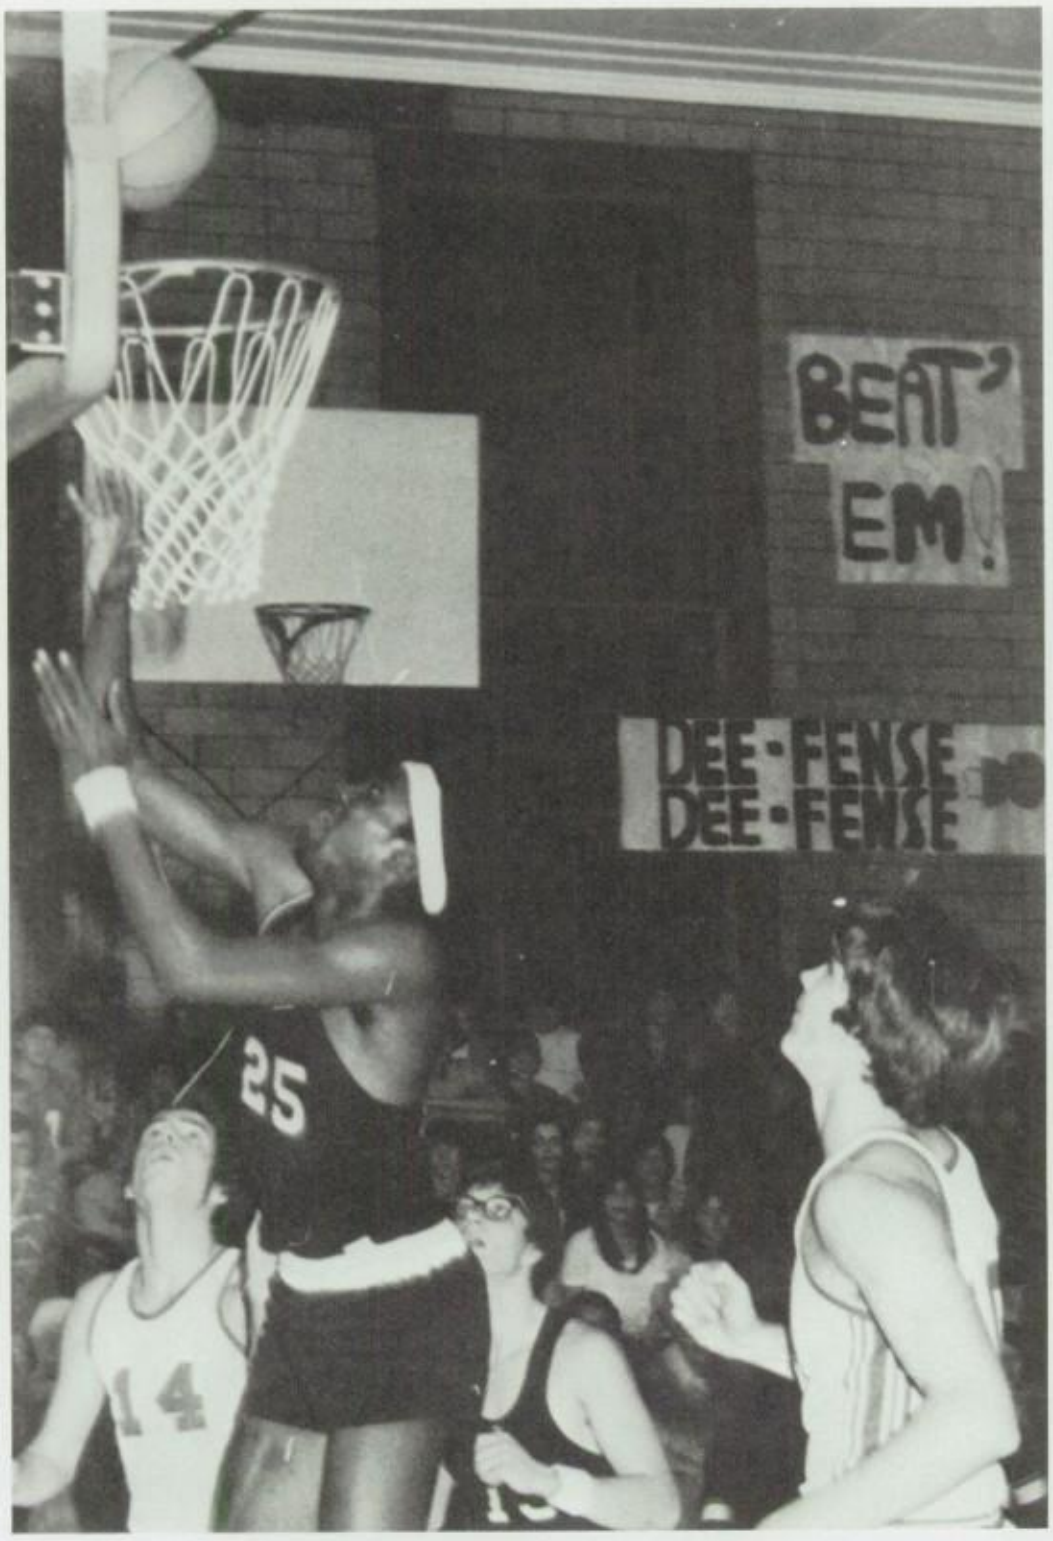
GIRLS' BASKETBALL

STANDING: A. Glucki, L. Goff, K. Moll, S. Hamilton, M. Rivera, D. Cameron KNEELING: B. Tarasi, S. Zugay, T. Vescio, C. Taylor, C. Hutchinson

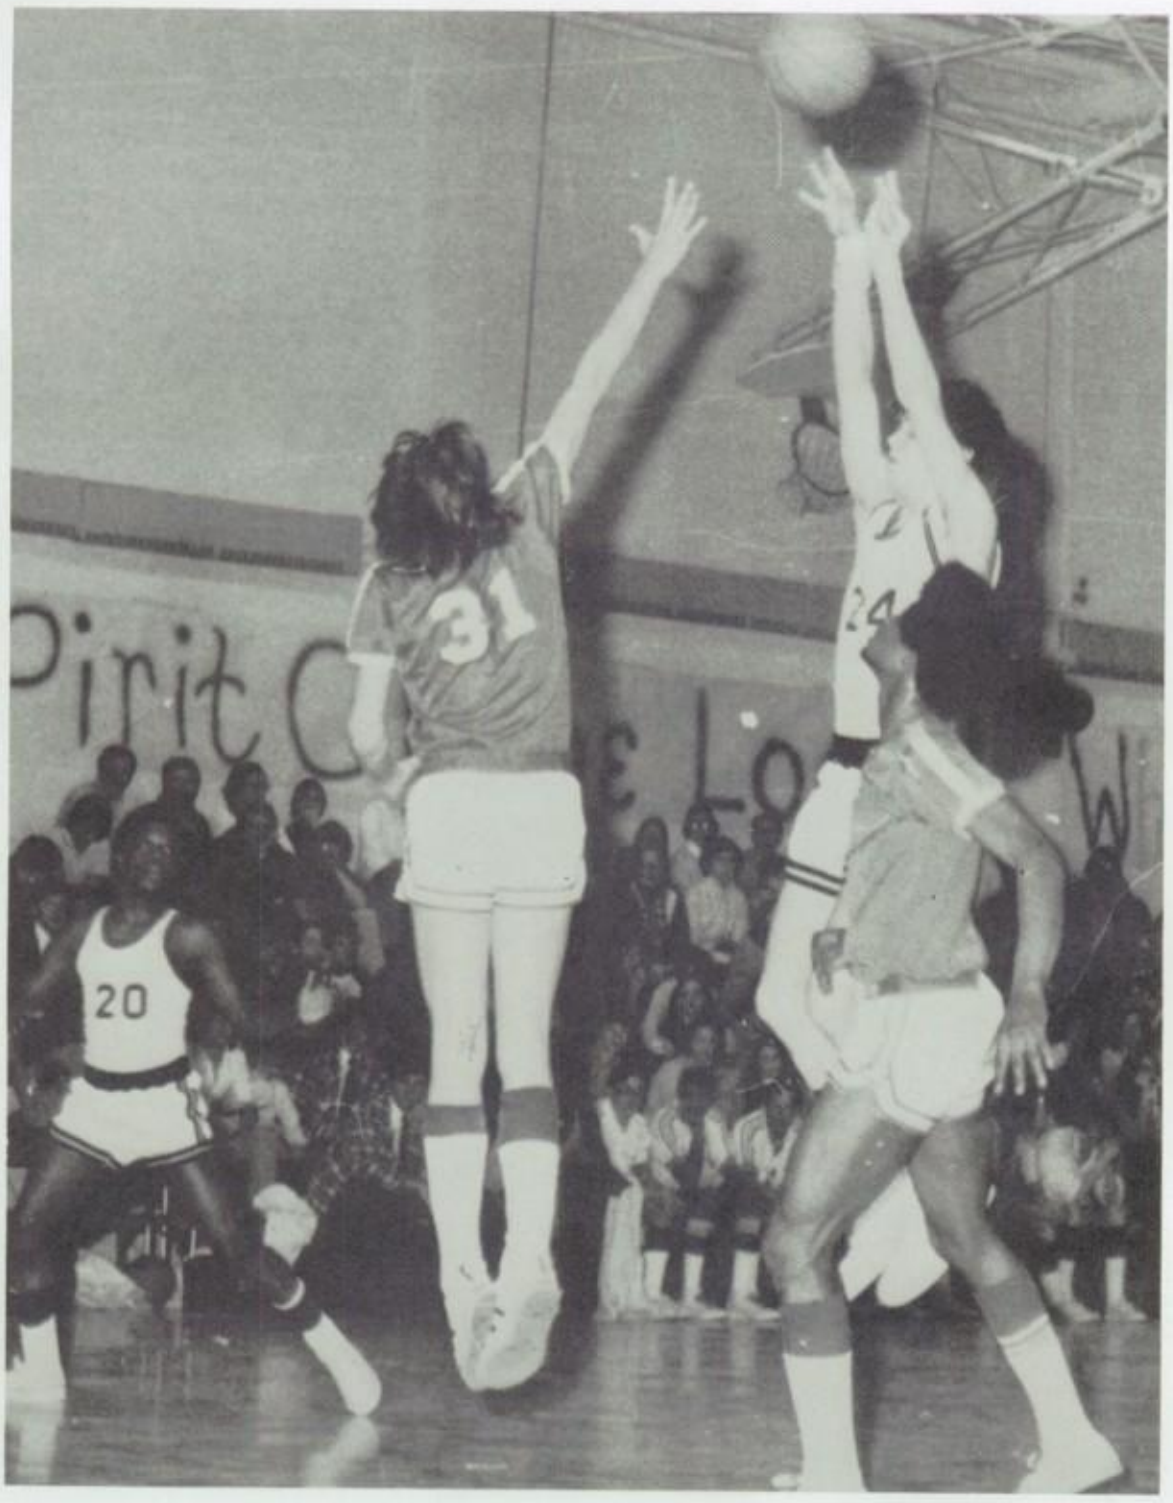
Coach Melvin Smith and the WPGAL Basketball team had a successful season. The girls' record of 8-5 shows improvement over last year's season. The winning combination was due to the returning of several letterwomen and the talent and skill of the newcomers.

BOYS' BASKETBALL



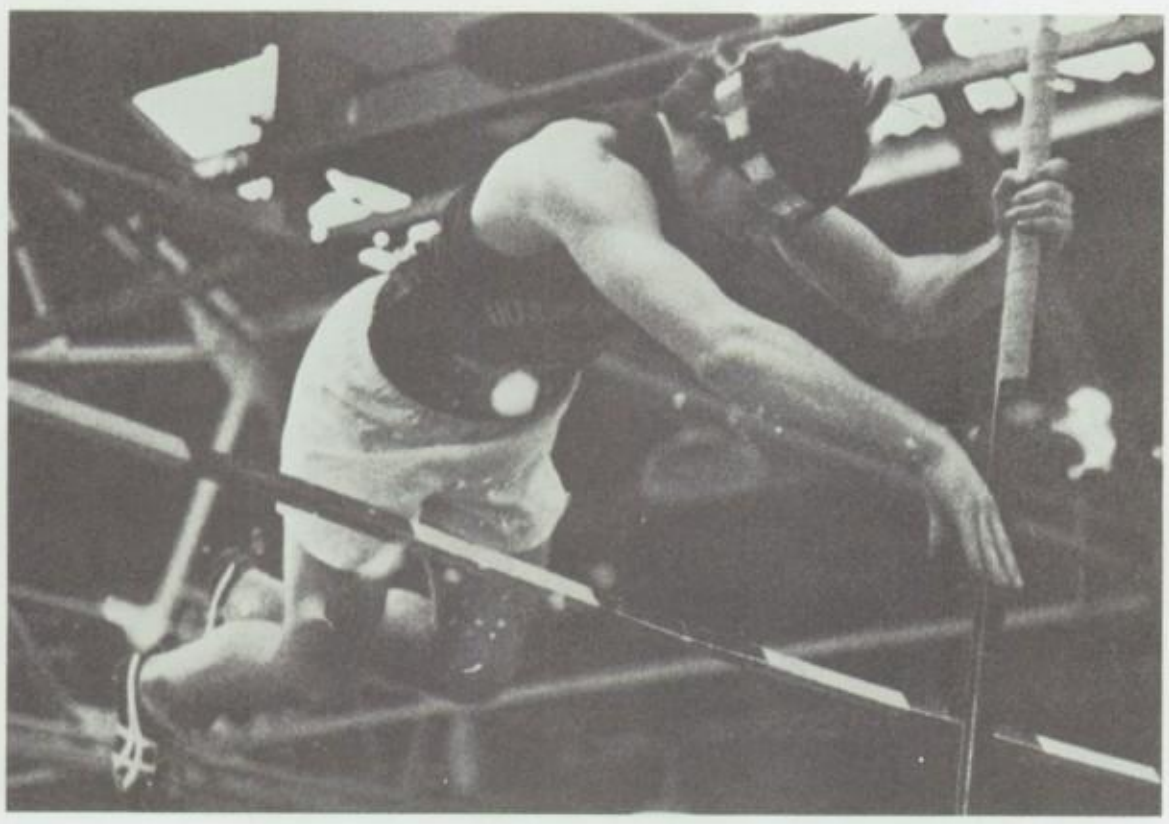
JV TEAM: (Bottom Row) Tom McCormack, Phil Smith, Phil Zacharias, Lance Whitlock, Bill Poninsky. (Top Row) Eric Ridgway, Mark Frank, Lewis Lockhart, Canard Grigsby, Brian Cole.

VARSITY: Frank Rondinelli, David Becker, Alan Derner, Albert Frank, John Montanile, Norman Baldwin, James Cortese, Chuck, Merriman, Alphonso Wright, David Peel, Allen Quinn.



The Hustling Quakers once again provided their fans with another exciting season. Every game was a challenge to the team, and they played with determination, confidence and skill. In the minds of the team, each game had a purpose and goal. Although the season was not as successful as we at Quaker Valley anticipated, it will never be said that our team was not First Class.

TRACK

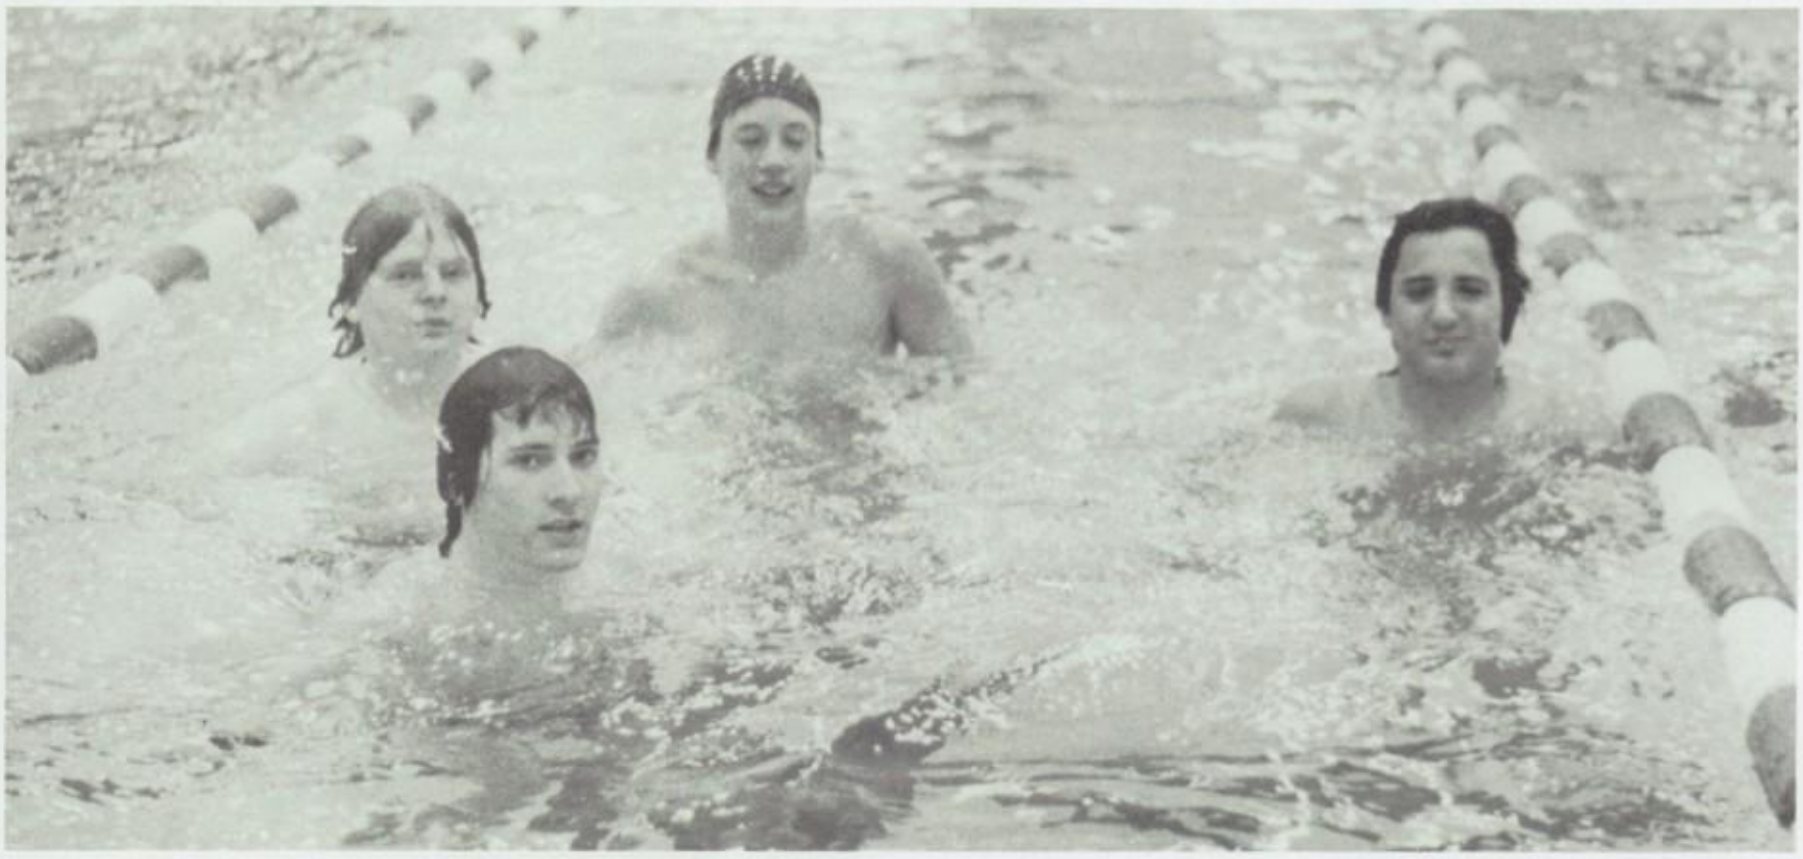


The 1976 Track Team started the year with the taste of success from the previous two seasons still in their mouths. Their eagerness to perpetuate track victories led to success early in the training season with a victory at the South Park indoor track meet. Even though track has many aspects of being an individual's sport, much team effort and spirit are needed for a winning season. Coaches Ken Johns and Bill Och pull the whole thing together to keep Q.V. running, jumpin, throwing, and working, working, working.

Hometown fans were disappointed since only three meets were held at home due to limited facilities.

SWIMMING

This year swimming was added as a varsity sport at Quaker Valley. The dedicated swimmers met at the local YMCA three days a week for early morning practice. Although the team did not win any meets, they began the "dawning of the age of aquarium for QV."



BASEBALL

Coaches Richard Woznicki and Roy Horne experienced a good season this year with the Quaker Valley Baseball Team. The returning lettermen provided the strong backbone for the team and the new talent made the season interesting. The captains for this year's team included Jim Bailey, Frank Rondinelli, and Dickie Janicki.

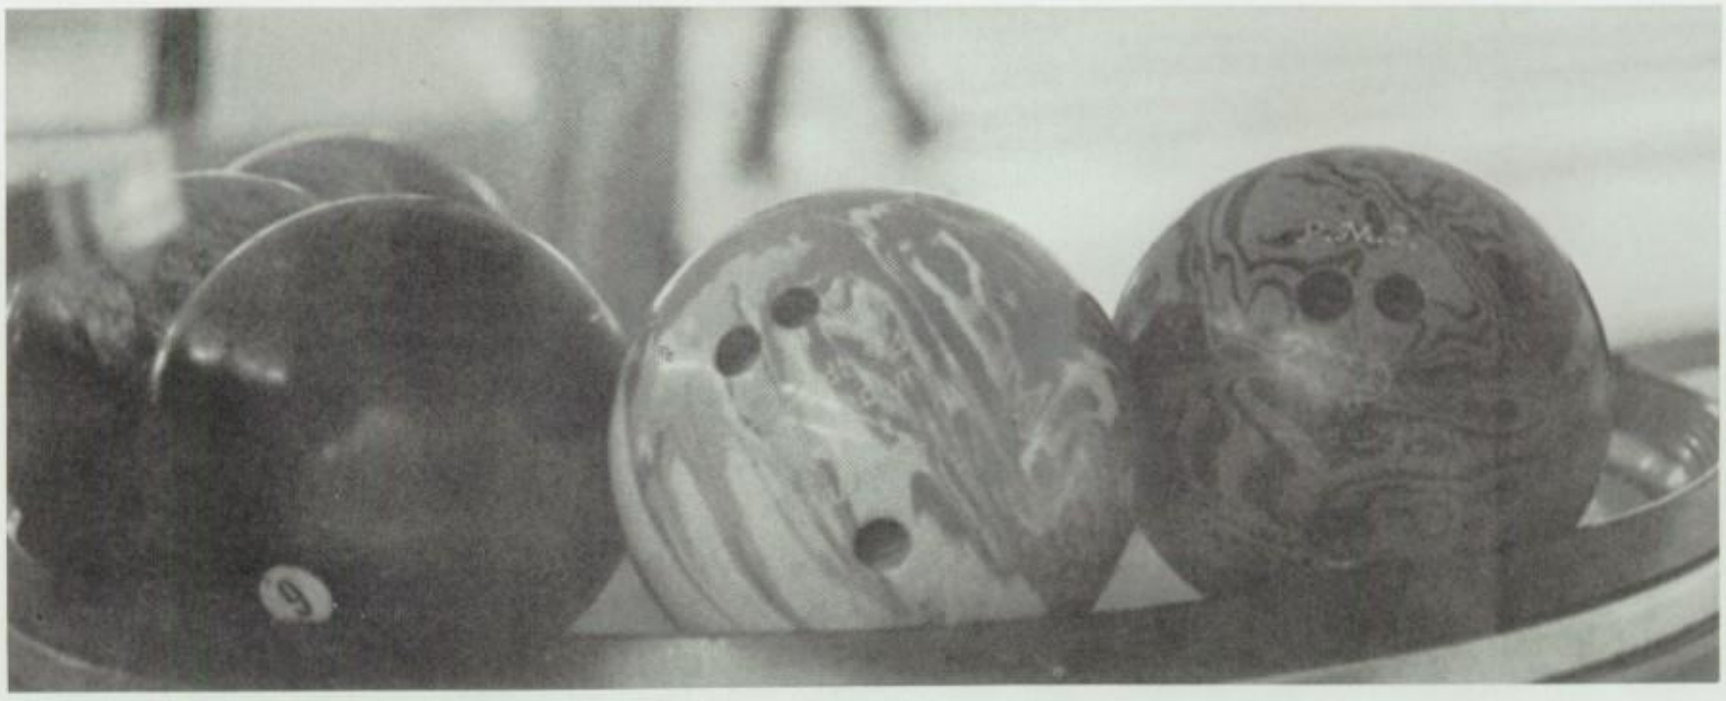
BOWLING



On December 3 representatives from Quaker Valley and neighboring school districts met to form the West Penn Extra-Mural Interscholastic Bowling League. These representatives agreed upon the basic rules which the league would follow. This was the first year Quaker Valley has had bowling as a team sport. Under the direction of Coach Bill Hamilton the Quakers had a successful season. The home lanes for the "Striking Quakers" was Sacco Bowling Lanes in West Hills Shopping Center. Bowling was a welcomed addition to QV's sports.

The school government is comprised of students and teachers who work together for the benefit of the school. There are four main boards: Service, Grievance, Activities, and Curriculum. Each of these sends two representatives to form the inter-board which meets with Dr. McNamara or Mr. Cortese to relate, discuss, and work out the various activities of the boards. This year, the service board conducted Open House for the parents; continued the lunchtime activities from the year before; and met with cafeteria workers to better food services. Service Board members then took a tour of the Junior High kitchen where food for all the schools in this district is prepared. From student suggestion, a breakfast program was started at the senior high from 7:30 to 8:00 A.M. The board also conducted a canned goods drive for the McGuire Home, a Blood Drive in cooperation with the Blood Bank; and finished off the year with a "Happy Days" revival where students dressed in the "threads of the 50's" in school and at a soc hop.

During the school year of 1975-76, the Grievance Board answered many complaints from their new grievance box. Small grievances like "no paper towels in the boys rooms" are often overlooked because . . . they were so small. The grievance board, always in touch with the student body, resolved many of these small complaints, ending with a large amount of accomplishments. The Curriculum Board is involved with various aspects of the curriculum in the school. This year, working with Mr. Hinds, they helped renovate the National Honor Society. New rules were established, making it easier for students to receive the honor simply by giving faculty members more time to get to know students better in their senior year. This year, the Activities Board again helped raise funds for the Children's Hospital by holding a Spaghetti dinner and Christmas caroling. They organized the Homecoming Weekend along with a homecoming dance. By "swimming for others" they raised funds for the Quaker Valley Union for Aid. Swimming students were sponsored for as many laps as they could swim. In March, a Mardi Gras Dance was held at the school. Activities Board finished off the year with a Spring Arts Festival.

AMERICAN FIELD SERVICE

This year AFS was involved in more activities than ever before. During this summer, Quaker Valley had a bus stop of thirty foreign students who spent a week here amidst planned activities. AFS has held a major function every month which included a picnic at Walker Park, and a cover dish dinner at the Sewickley Methodist Church. At the dinner our returnees, Mary Driesch and Barb Houston, presented slides of their trips to Greece and Brazil, respectively. Mili Rivera, Q.V.'s exchange student from Chile, was presented to the community. AFS also held two dances and in early February sponsored an AFS weekend. Visiting students experienced an international dinner, classroom speaking and a reception. Last but not least the annual AFS Show was staged in April.

The Seniors had a very successful Christmas dance at the Holiday Inn, bake sales on Thursdays, a dance in the Spring, and a Senior slide show. Senior Officers: President – Jerry Renne, Vice President – Kim Noland, Secretary – Sharon Meanor, Treasurer – Ellen Green. Junior Officers: Pres. – Guy Erwin, VP – John Montanile, Sec. – Melanie Mattison, Treas. – Suzanne Devlin. This year's German Club has added many activities to their list. Under their officers, Corny Jackson, Bob Schmidt, Guy Erwin, and Mike Beels, they attended a Fall Convention at Latrobe High School; a spring convention at the University of Pittsburgh; and they went to Buhl Planetarium for a sky show in German. A new activity is the "Oompah Band" which consists of many instruments. The club has also formed a soccer team made up of both sexes! They also painted beer steins for their own use. Under the leadership of Frau Demma, the club had a successful year.

GERMAN CLUB

LIBRARY AIDES

Finding materials, stamping books, filing papers, organizing periodicals and encyclopedias, and running errands are just a few of the many services provided by the Library Aides. Students give up study periods to work in the library and to provide a valuable service to the school. This year was the first to include any male aides.

DESK DUTIES

This group of sure-footed students gave up their study halls to set records unheard of in the world of runners. They were responsible for putting absentee lists in every room, running errands, greeting visitors, and assisting the office staff.

KEY CLUB

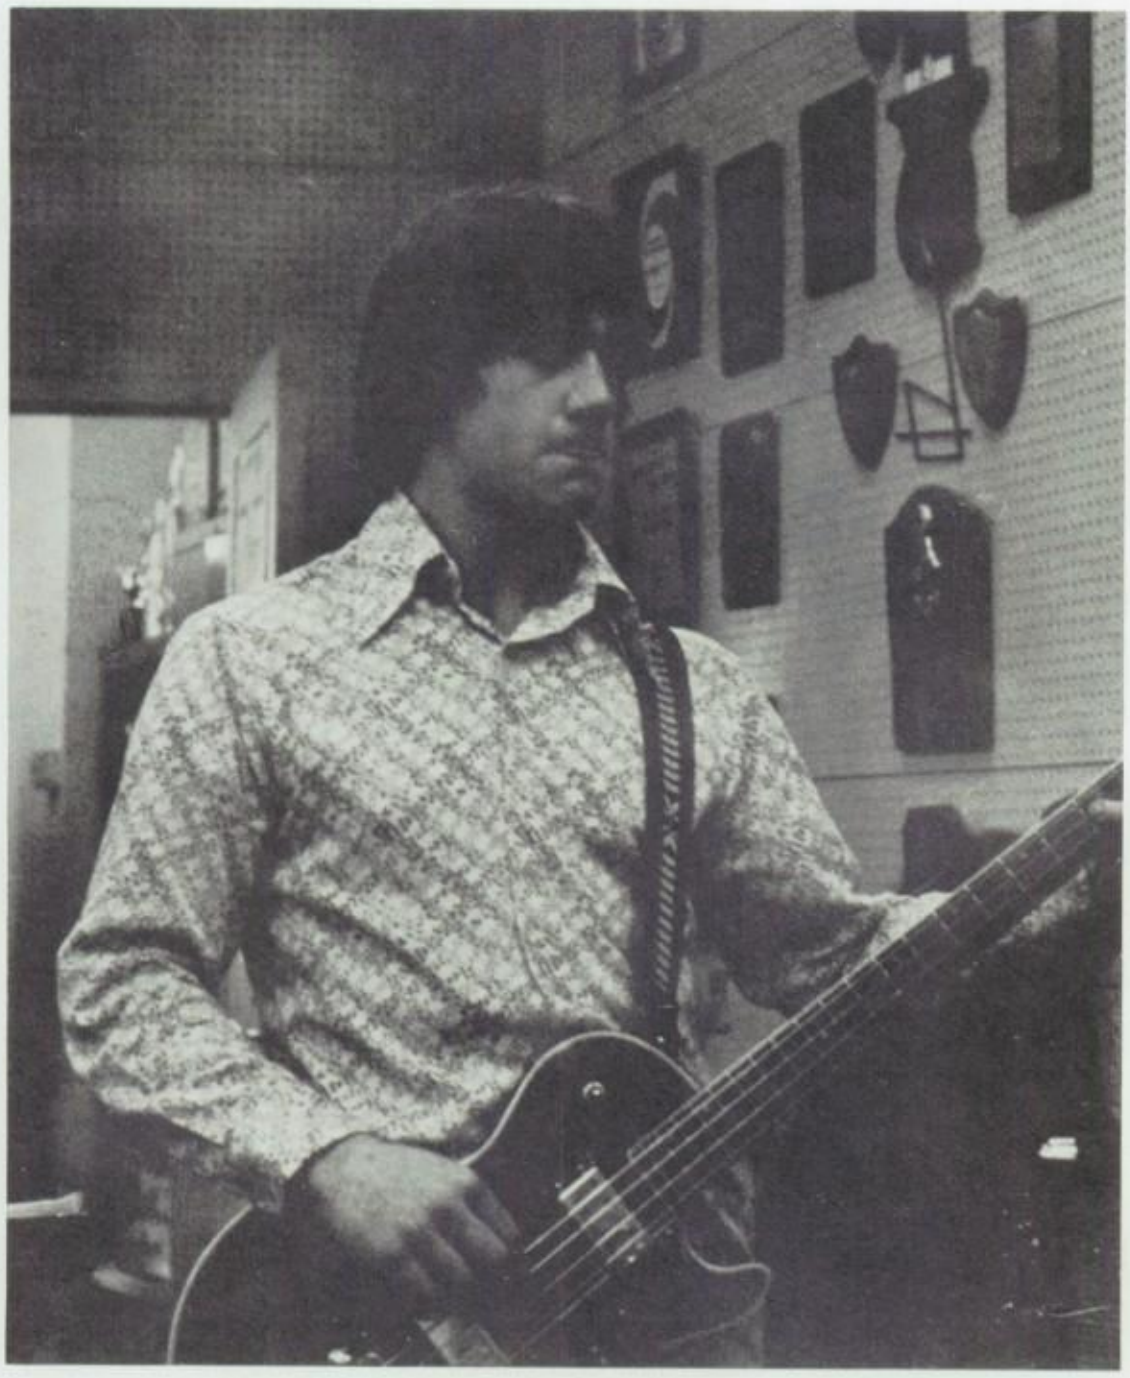
Key Club is a service organization made up of young men who work for the betterment of the community, school and self. Mr. Edward Schroth, faculty advisor, and Leonard Merriman, president, directed the club's many activities. Key Club operated the midway at the Harvest Festival, a fund drive for the heart association, a Christmas party at the Harrington House, and a senior citizen bowling party. Besides being active in the community, Key Club is also active about the school. The members sell pep ribbons during the football season, put the American Field Service flags outside on special days, and usher at open houses. Towards the end of March, 20 members of Key Club went to District Convention at Seven Springs.

Pep Club's main purpose is to boost the spirits of the members of the various athletic teams in our school. They decorated the team members' lockers and made signs for pep rallies. This year the Pep Club decorated a float for the Homecoming Queen and her court.

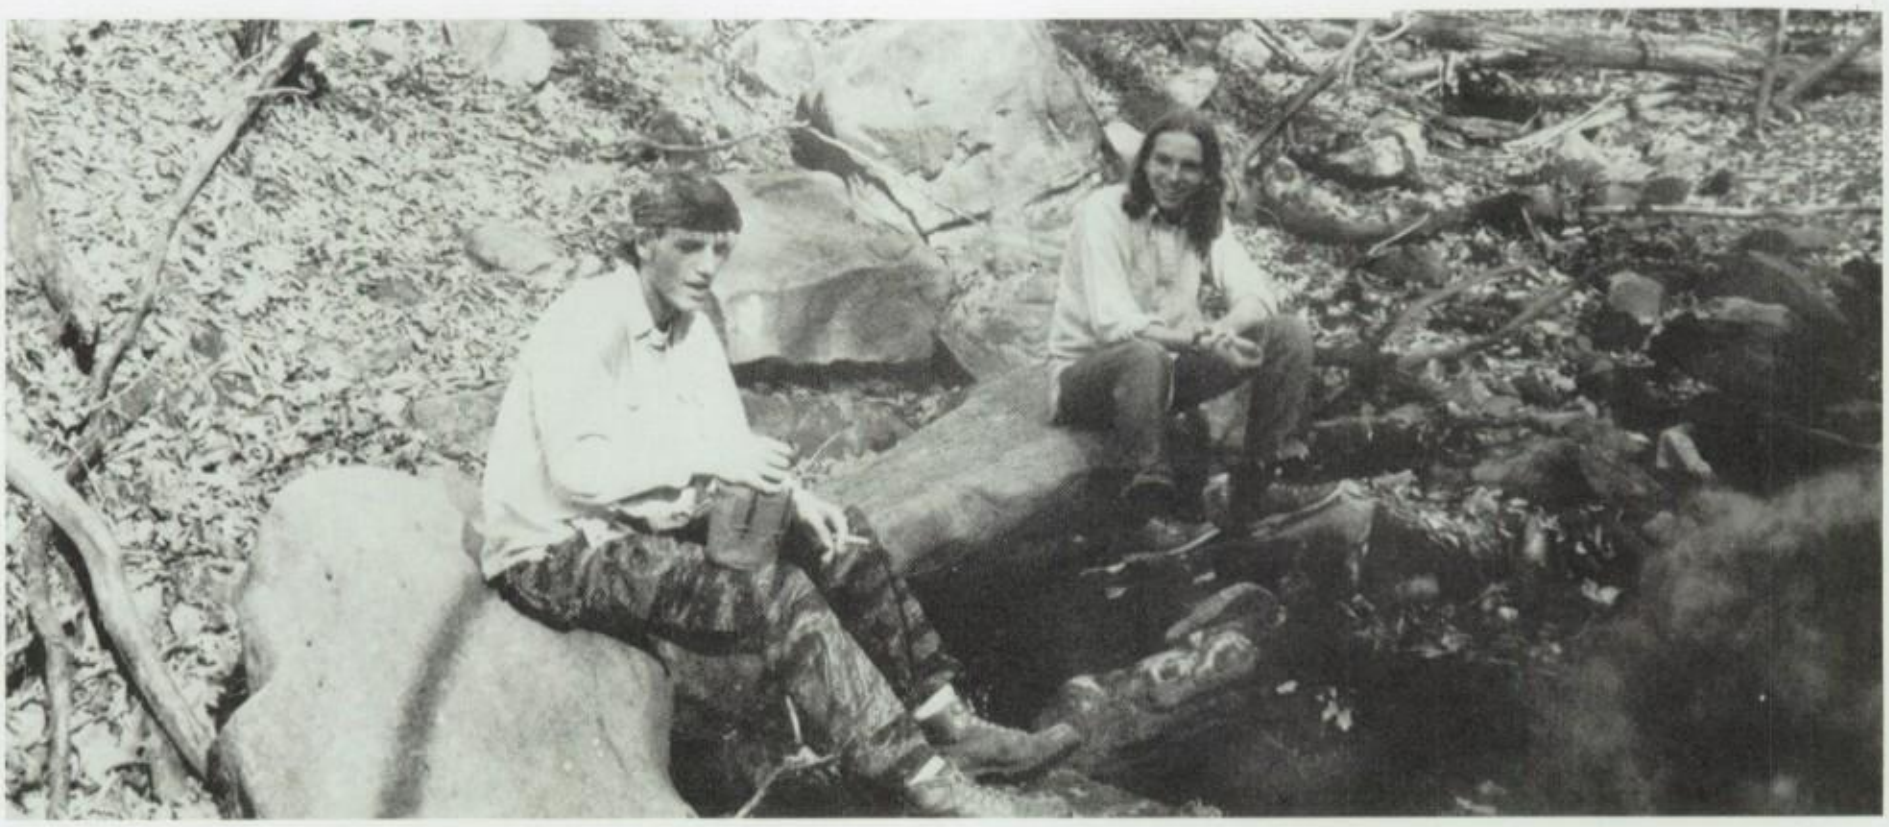
PEP CLUB

ENTERTAINERS' CLUB

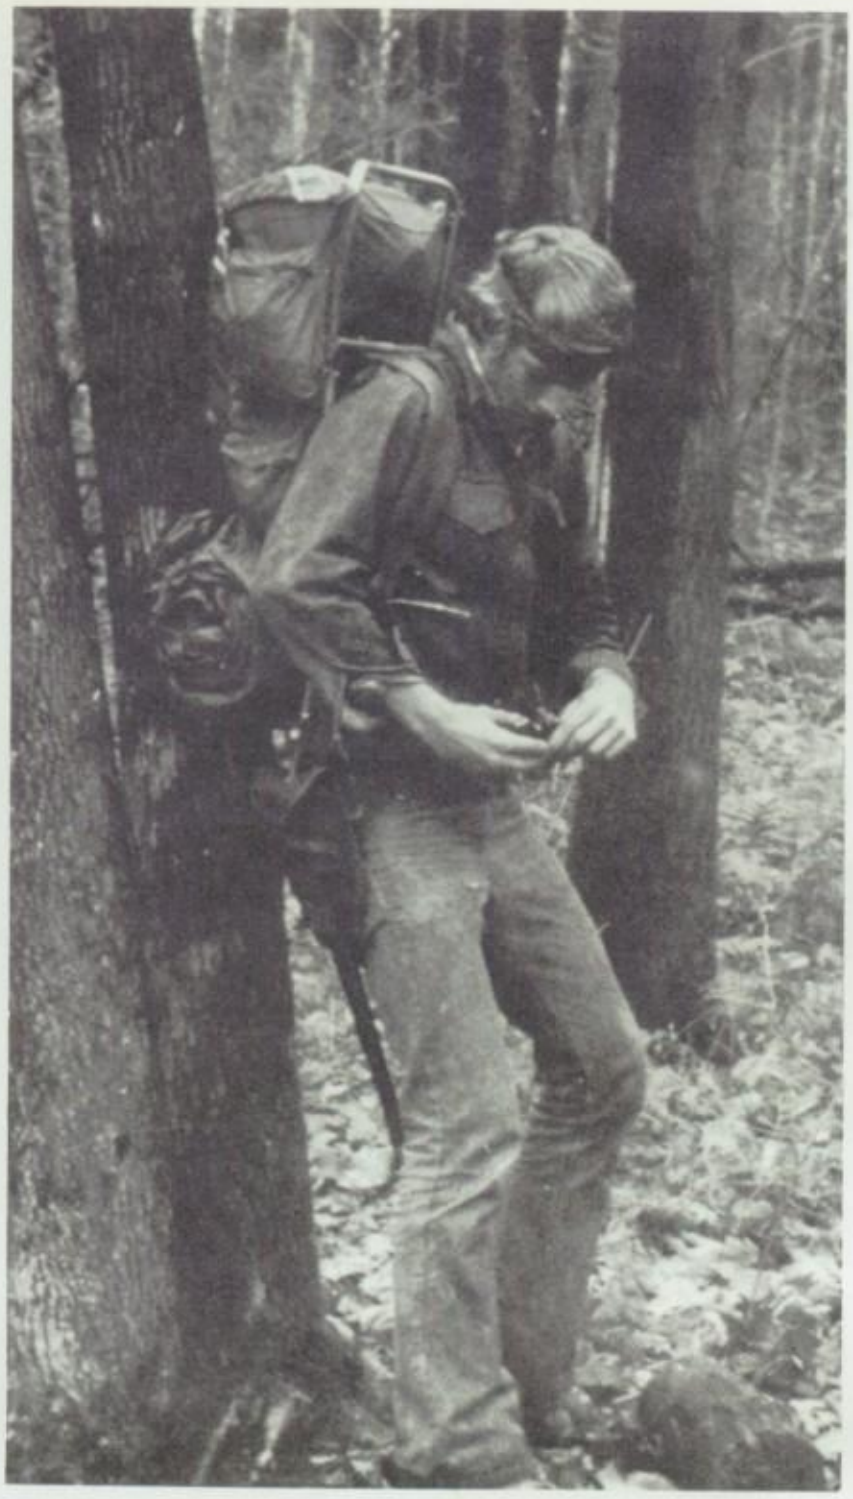


This group of students represented an interesting assembly of talents. Their main goal for the year was a program, held in the spring for the student body.

OUTDOORS CLUB



This year, under the presidency of Nancy Burtch, the Outdoors Club enjoyed glorious fall days and braved biting winter winds. They went backpacking and camping at Laural Highlands and Racoon Park. At Bear Cave members went caving. There was much bike-riding and enjoyment of the outdoors throughout the year.

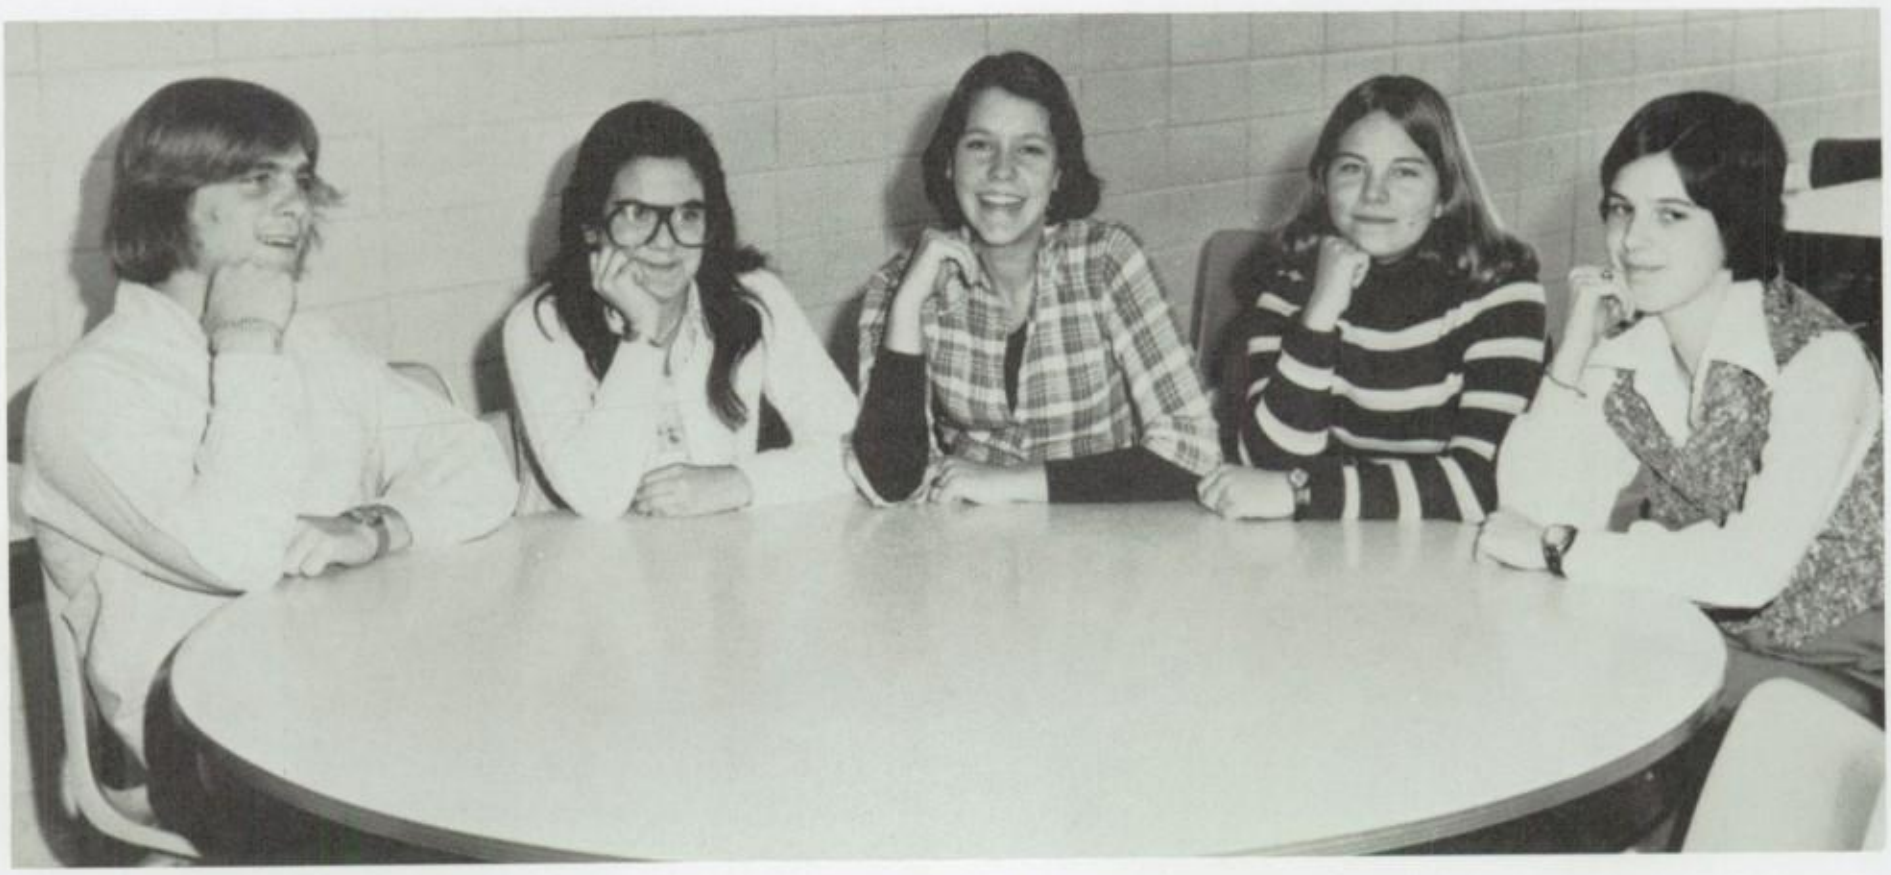


PEP BAND

R. Phillips, M. Driesch, M. Dininno. B. Devine, E. Green. B. DiMarzio, O. Floro, T. Benson, J. Bailey. B. Becker, D. Dufula, T. Brown, T. Raso, D. Silla, W. West.

Any one who goes to basketball games at Quaker Valley is familiar with the Pep Band, a group of musicans selected from the regular Band to perform at halftime and between the games. They played the traditional theme song for our team, Sweet Georgia Brown along with many other popular songs such as The Hustle, TSOP, Love Will Keep Us Together, and K-Gee. Basketball season wouldn't be the same without our Pep Band.

THESPIANS

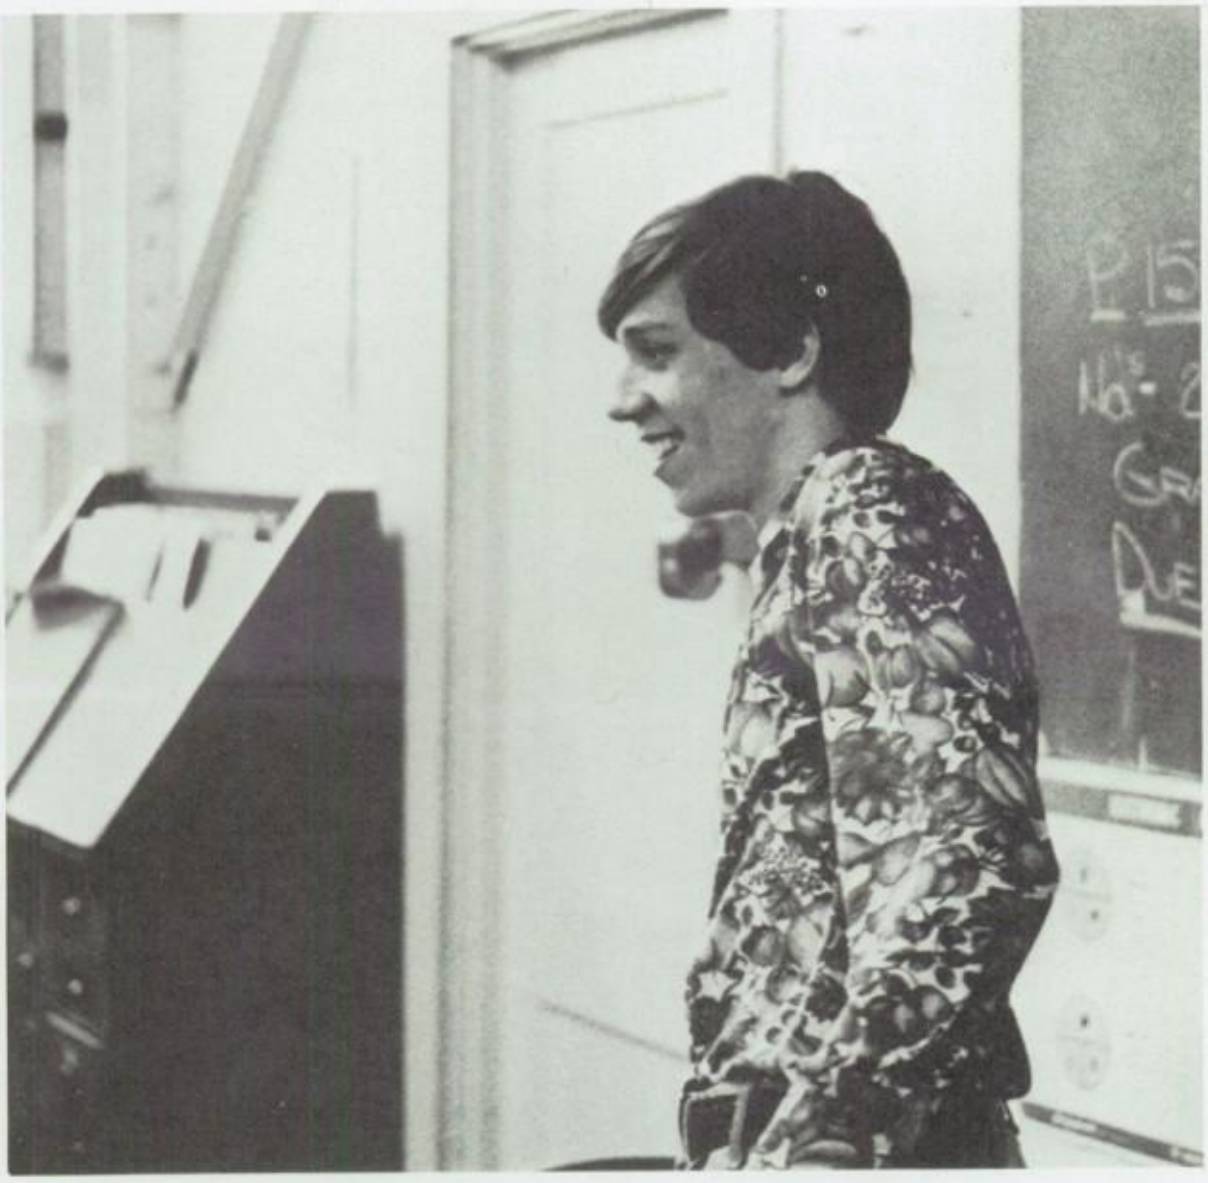


D. Silla, D. Gosnell, K. Stoeckle, V. Knapke, C. Bunsten

Quiet backstage, lights, curtain, laughter, and applause. This is the end result of two months of preparation that the actors and actresses of Thespian experience. The first play Quaker Valley Thespians performed in December was Noel Coward's "Blithe Spirit." There also was a spring production which rounded out the year of the theater for Quaker Valley Senior High.

QUAKER QUILL

STAFF: Marsha Therion, Diane Gibson, Sue Kretzler, Kim Daniels, Tom Brown, Denise Ussio, Michael Lench, Ray Frey, Ed Brezny.



Quaker Quill, the school newspaper, was composed of a very creative staff but no editor-in-chief this year. In an attempt to improve teacher and student interest and to get contributions, surveys were handed out early in the year. New ideas this year were the creative corner and editorials.

STAFF: Kathie McAllister, Cheri Patterson, Kathie Stoeckle, Beth Grace, George Raymer, Rose Vaughn, Gina Villella, Mary McCormack, Tammy Lazorisak, Judy Pitcavage, Drew Wilson, Leslie Gould, Darlene Jeffries.

These students experienced difficult music; long, hard rehearsals; and an intense concentration of harmony and theory and voice training all packed into one weekend. They were boarded in several dormitories on the Adrian Campus along with students from high schools all over Ohio, Pennsylvania, and Michigan. The weekend was filled with a combination of working hard, meeting new people, and having alot of fun.

A Proclamation

This day, October 24, is and ever shall be BBA Day. The BBA is an illustrious organization founded in the early 1970's to promote Baritonism. To date, Quaker Valley has been the stronghold of the organization, but in the past few years BBA alumni have filtered out into the world to spread the word, and the brotherhood is now gaining national recognition. Thus, the need for a National BBA Day. If the organization continues to grow at its present rate the need may arise to form a BBW (Baritone Brothers of the World). In the mean time, all non-members should learn to respect the organization or face the consequences of disrespect.

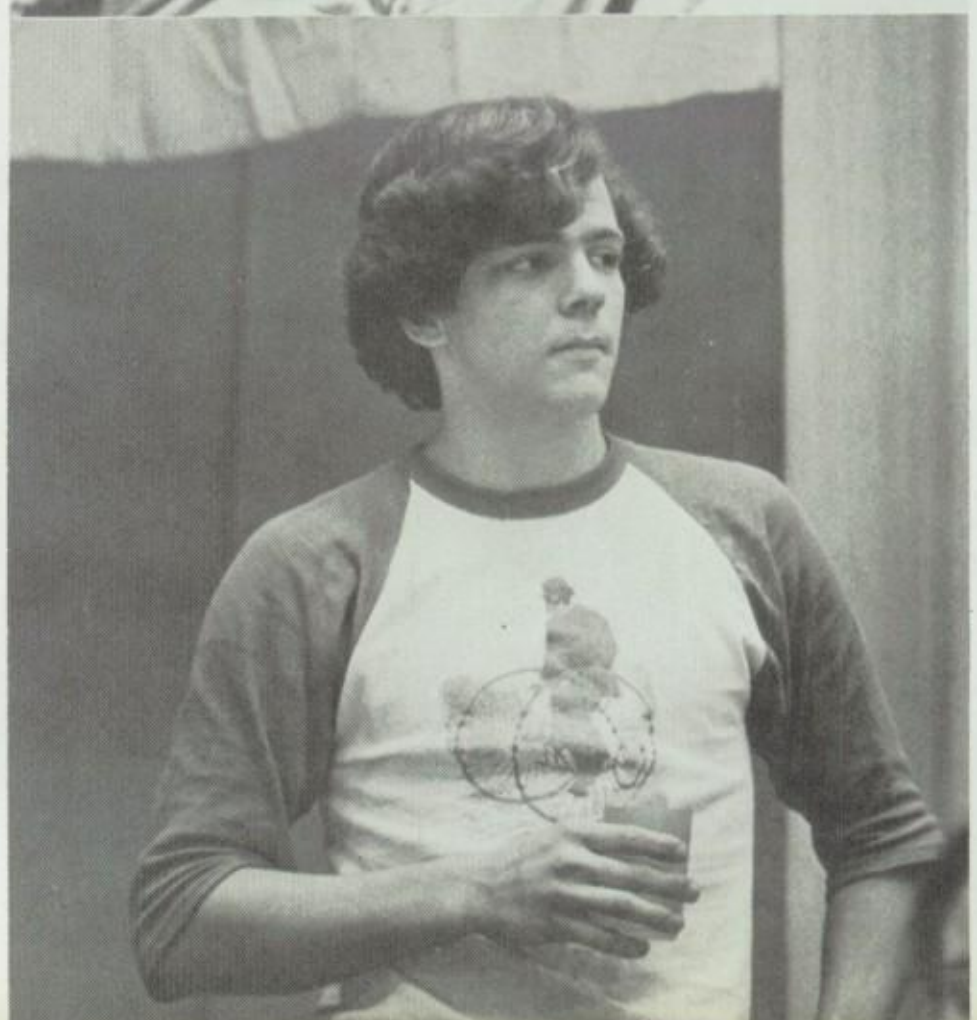
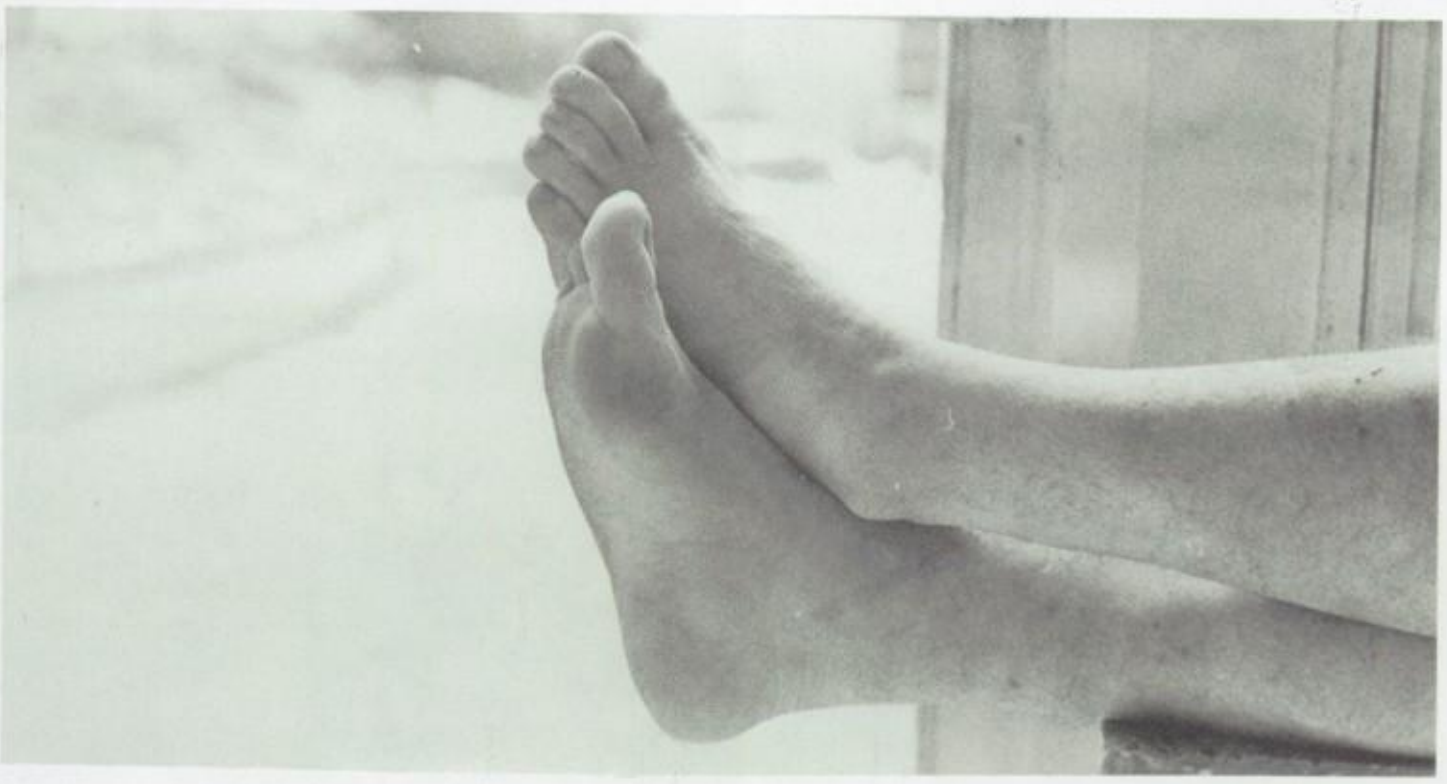
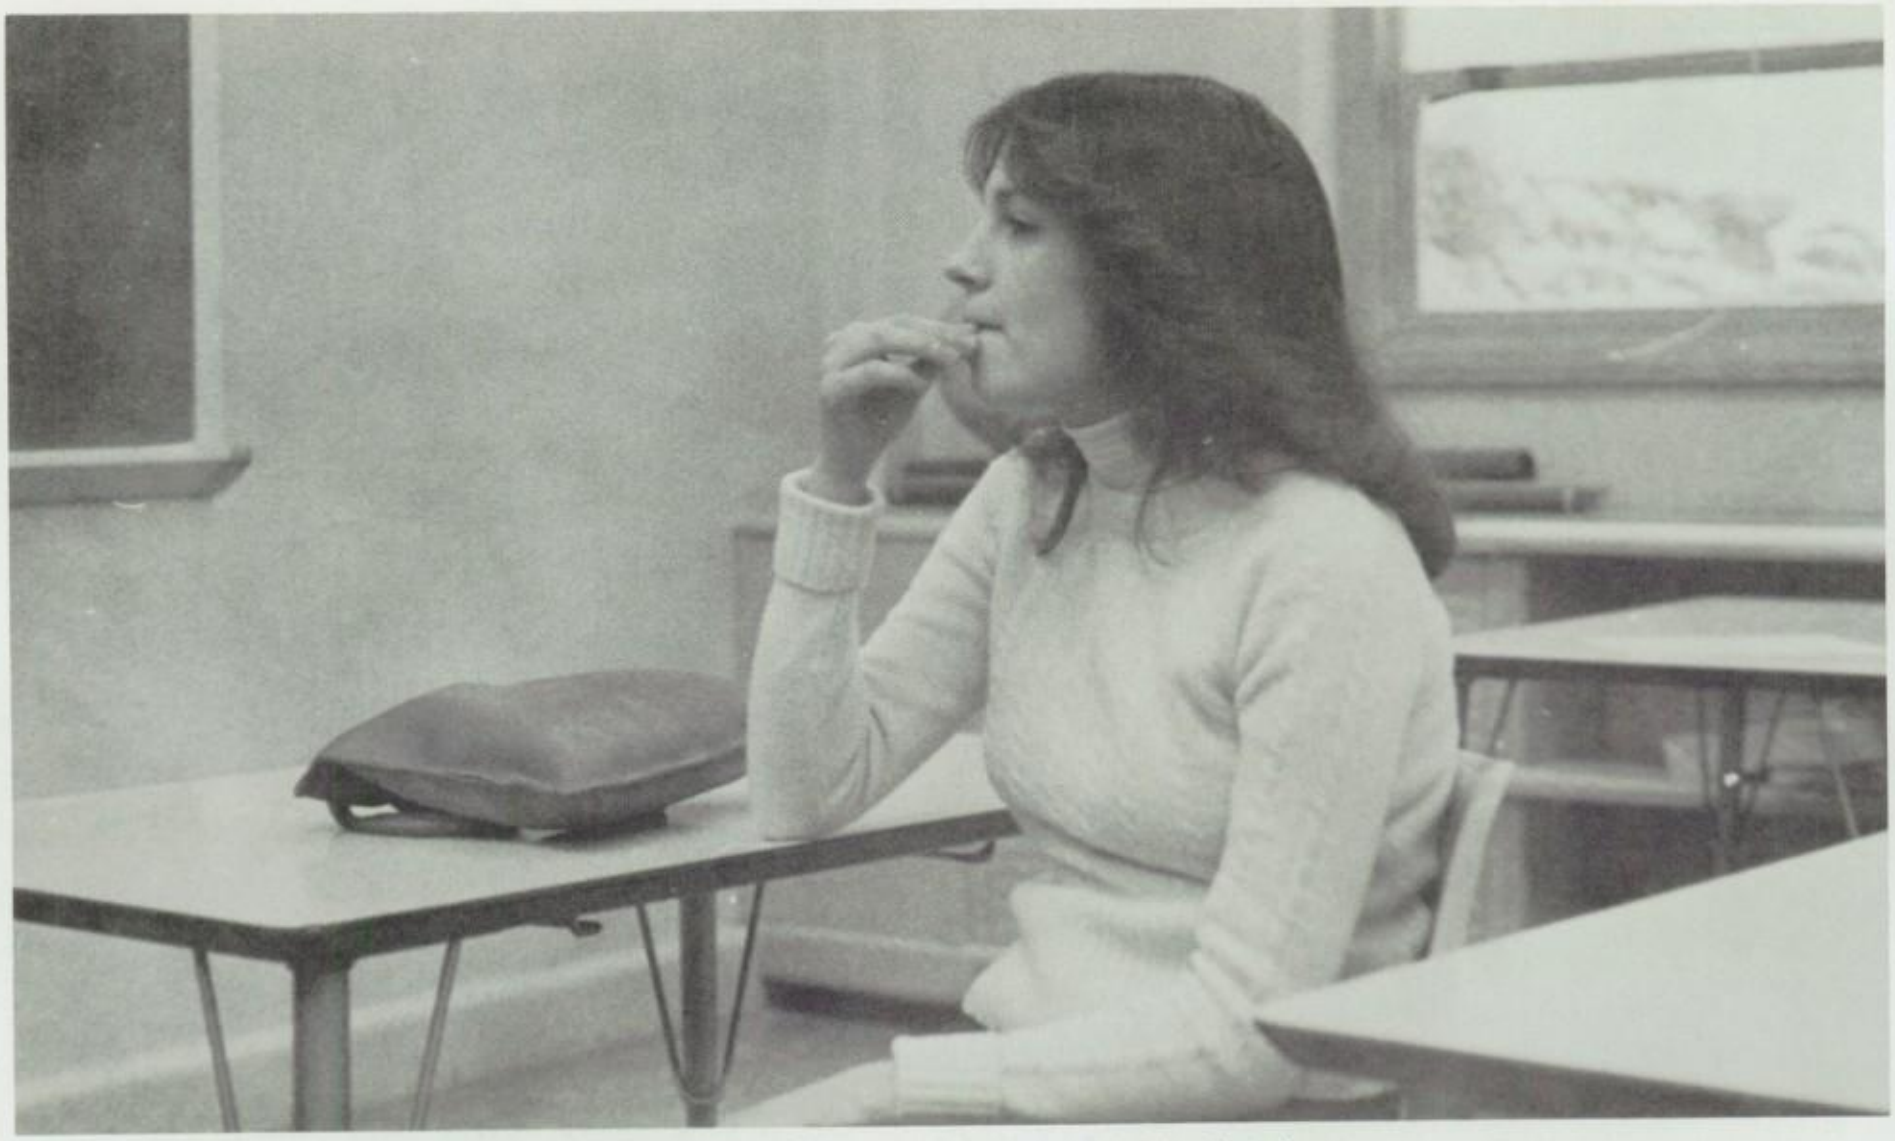
YOU CAN FOOL SOME OF THE PEOPLE ALL OF THE TIME... AND THAT'S ENOUGH TO MAKE A DECENT LIVING!
B. Parker

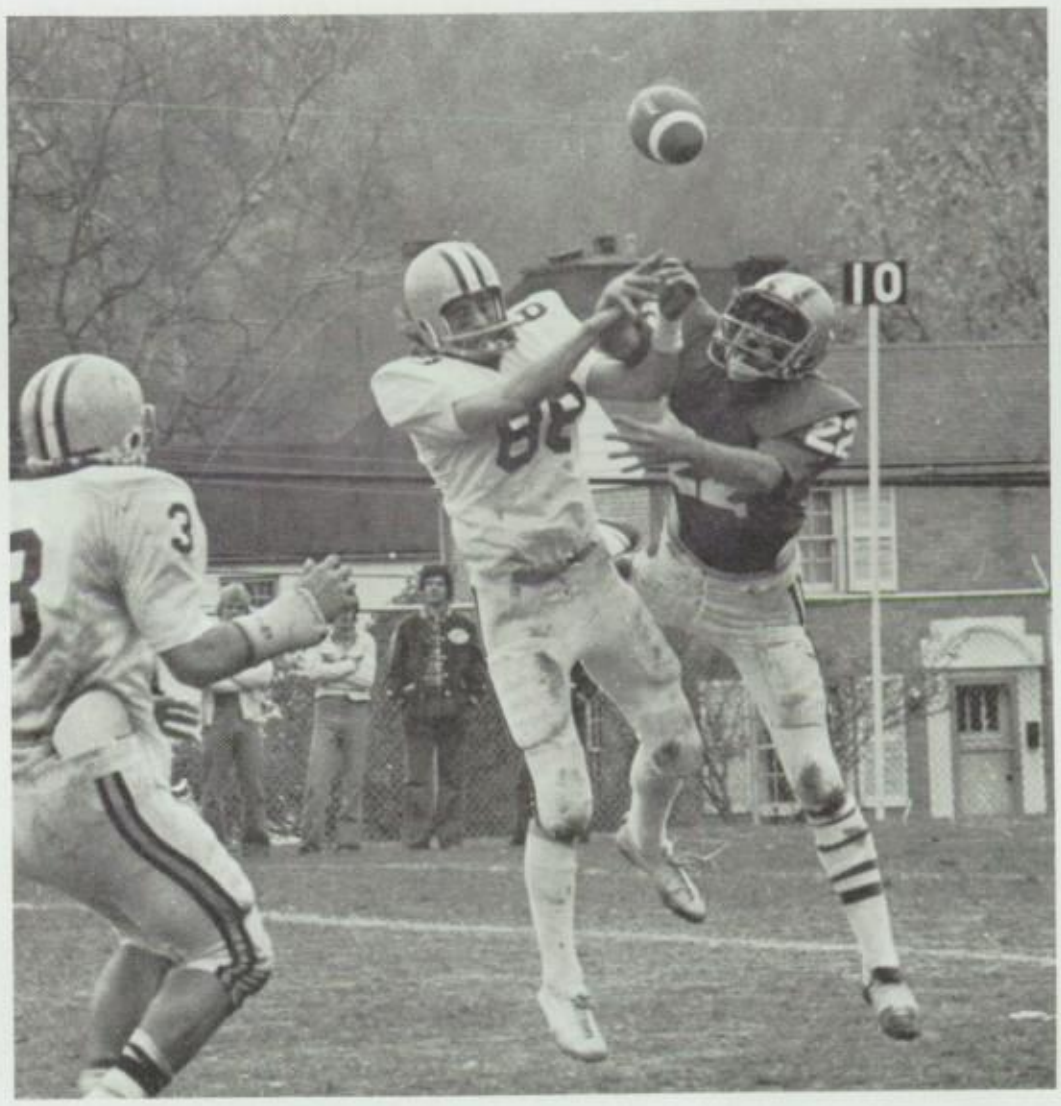






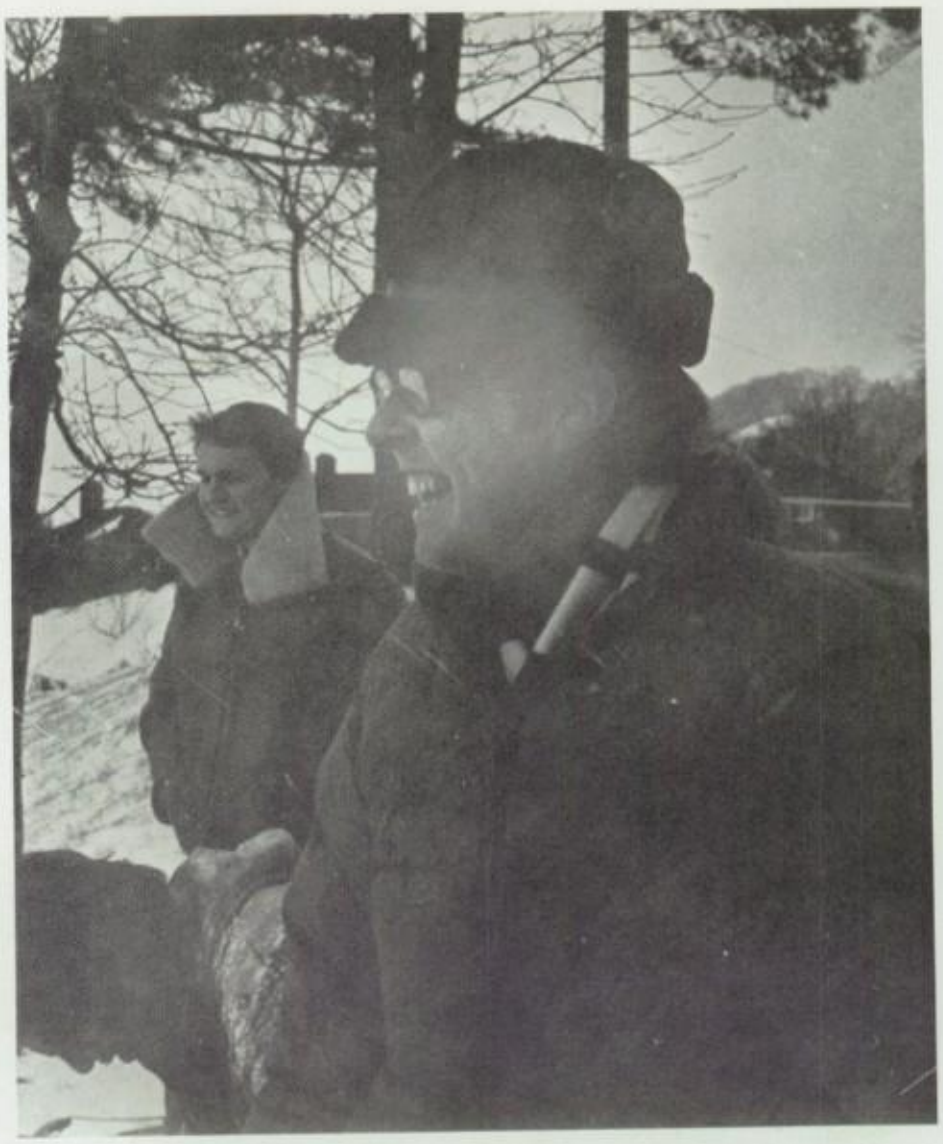
Good morning yesterday. You wake up and time has slipped away.

And suddenly it's hard to find the memories you've left behind. Remember, do you remember?



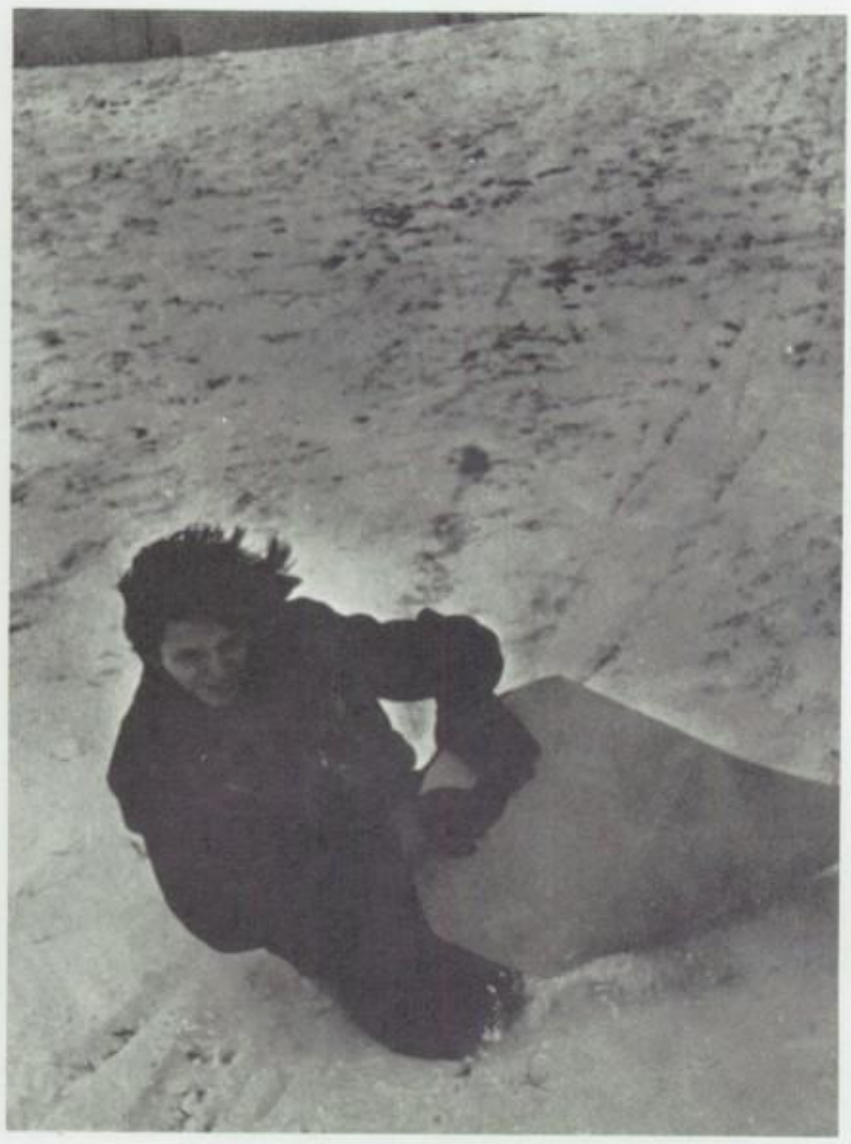
The laughter and the tears, the shadows of misty yesteryears.

The good times and the bad you've seen and all the others in between. Remember?

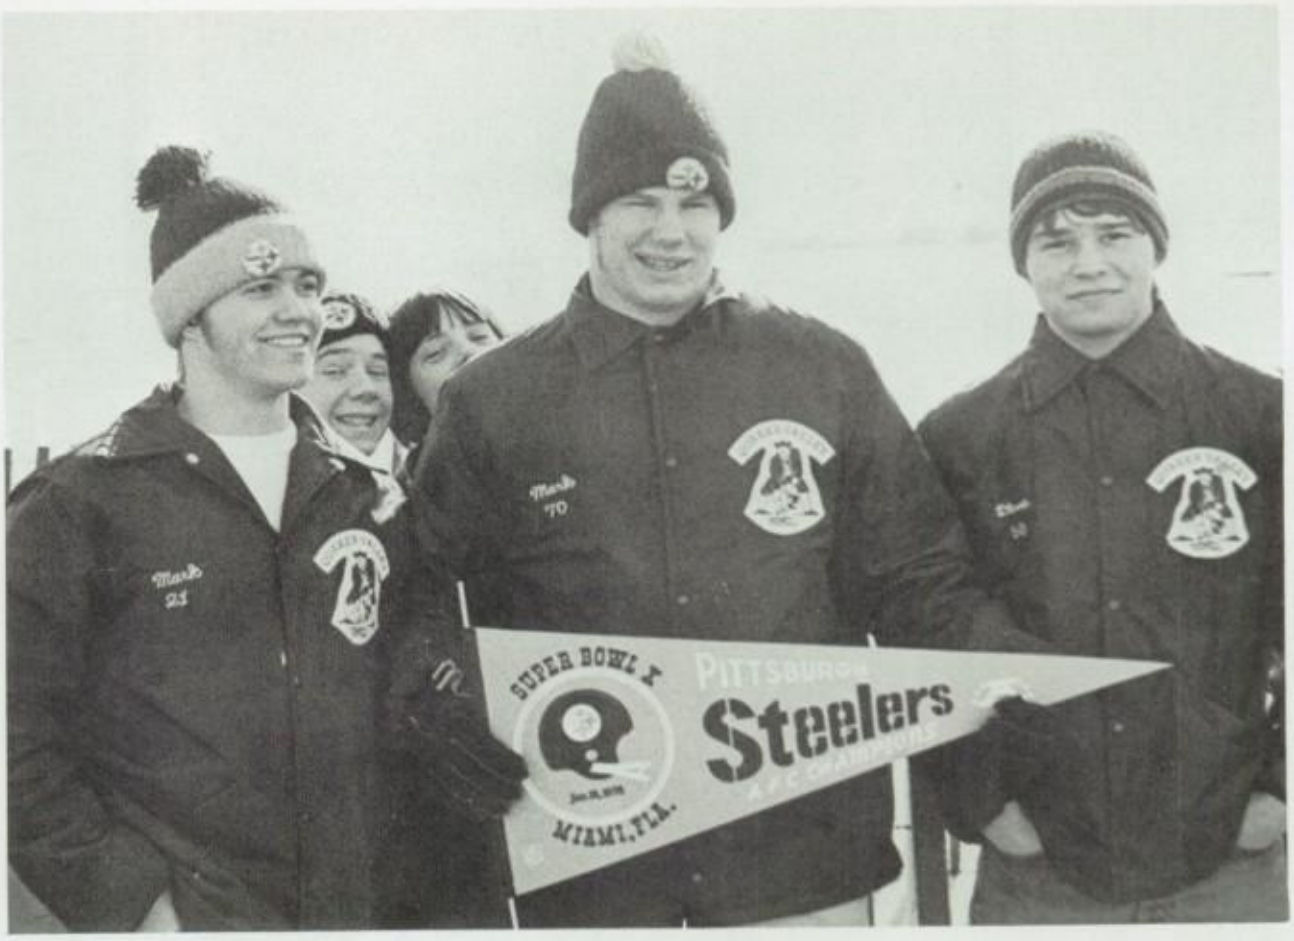


Reach out for the joy and the sorrow; put them away in your mind.

A Memory's a time that you borrow to spend when you get to tomorrow.



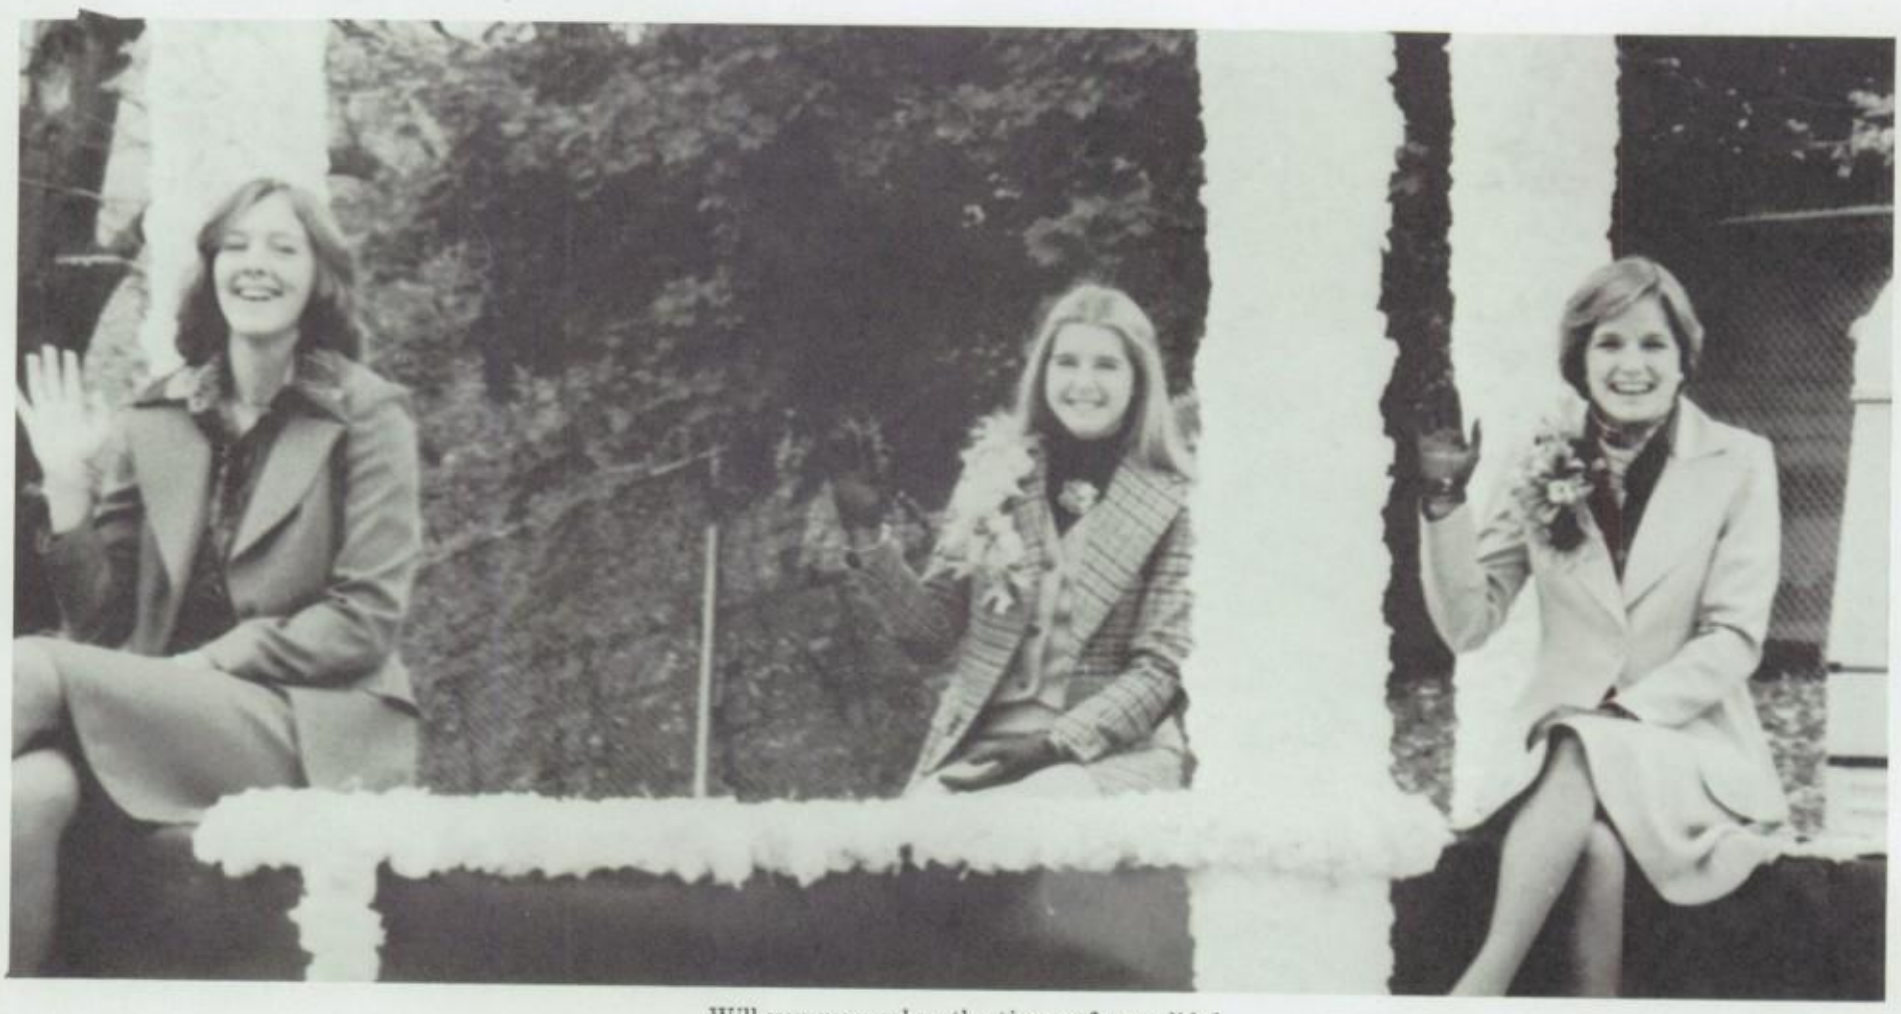
Here comes the setting sun; the seasons are passing one by one.



So gather moments while you may

Collect the dreams you've dreamed today.

Remember?



Will you remember the times of your life?
